*Discipleship Handbook* General Conference Sabbath School and Personal Ministries, 2018-01-01 There is no higher calling than to be a disciple of Jesus Christ Nothing compares to knowing and following the Savior of the world To know Him is to love Him and to follow Him is a wonderful adventure Still the discipleship journey is full of pitfalls and snares that threaten to lead us away from the narrow path that leads to heaven If the devil had his way every Christian would be lulled to spiritual slumber or led into forbid den paths that would steal the heart away from God Therefore even after we are baptized it is imperative that we continue to grow into active and mature disciples of Christ The Discipleship Handbook will benefit anyone seeking such an experience with Jesus It may be used for personal study or in Sabbath schools prayer meetings small groups or one on one settings It is more than a book about discipleship Rather it contains everything needed for a six month Bible based discipleship plan for Seventh day Adventist churches and their members The Discipleship Handbook was developed to ensure that the most essential areas of discipleship are covered The devotional life personal witnessing church life Christian lifestyle and evangelism each receive special emphasis For newer members the 26 chapters of the Discipleship Handbook serve as the heart of 26 weekly meetings with a more experienced mentor The Little Armageddon John Churchill, 2010-06-10 John Churchill is a baptized Seventh day Adventist Christian since May 30 1976 He is one of those who came up through the ranks in the church having a zeal from the lord from his early teens that would not let him just sit down in church or keep quiet about Jesus Sharing his faith came naturally and share he did He shared in any way possible He was on choirs taught Sabbath School class conducted cottage meeting worship services in homes wherever permitted did Bible studies with anyone willing to listen was involved in the Missionary Volunteer movement now Adventist Youth Pathfinding and all it entails and so on As he showed his commitment and zeal for the Lord s work he was given more and more responsibilities in the church and was involved in church leadership from his early years as a Christian John Churchill has been a Church Elder for many years and was ordained as an Elder December 31 1994 He has had many encounters with teachers of falsehood over the many years of his Ministry These encounters include a lot of experience with an offshoot group of the Seventh day Adventist Church called the the Shepherd s Rod John Churchill is a lay evangelist and the founder of Battle Cry Ministry which pursues the worldwide aim of its mission through its website <http://battlecryministry.net> advent.org He decided since about 2003 to write a book that would address the Shepherd s Rod offshoot problem in the church as he saw that the group was seemingly on the increase and causing problems and pulling away members of the church to become members of the group The book would help to not only educate members but help them to know how to deal with the problem in a very realistic practical way The book would also appeal to members of the group to cease their activities and rejoin the church coming back on the platform Elders Handbook Christian's Library Press, Incorporated, Christians Library Press, 1994-10-01 **The Shepherd's Assistants: a Handbook for Church Elders** Arthur J.
