Something in These Hills John M. Coggeshall, 2022-09-07 What is the something in these hills that ties mountain families to family land in the southern Appalachians This ethnographic examination challenges contemporary theory and explores two interrelated themes the duality of the southern Appalachians as both a menacing and majestic landscape and

the emotional relationship to family land characteristic of long term residents of these mountains To most outsiders the area conjures images of a beautiful yet dangerous place typified by the movie Deliverance To long term residents these mountains have a fundamental emotional hold so powerful that many mourn the sale or loss of family land as if it were a deceased relative How can the same geographical space be both Using a carefully crafted cultural lens John M Coggeshall explains how family land anthropomorphizes metaphorically becoming another member of kin groups He establishes that this emotional sense of place existed prior to recent land losses contrary to some contemporary scholars Utilizing the voices and perspectives of long term residents the book provides readers with a more fundamental understanding of the something in these hills that holds people in place

conducted between 1983 and 2003 at Emory Loyal Jones interviews Jim Wayne Miller Richard Marius interviews Wilma Dykeman George Garrett interviews David Huddle and Michael Chitwood interviews Michael McFee These wide ranging conversations address such topics as formative experiences in the author s childhood major literary influences the author s educational background and mentors the writing process the limitations imposed by such labels as Appalachian writer and the broadening scope of literature originating in the Appalachian region Collectively these interviews confirm the judgment of some observers that writers from the mountain South are now playing a much larger role in southern letters than in previous periods thus constituting a renaissance within a renaissance Writers by the River Donia S. Eley, Grace Toney Edwards, 2021-05-19 The Highland Summer Writing Conference HSC held each summer along the banks of the ancient New River at Radford University s Selu Conservancy brings together and inspires writers as they participate in the communal art of creating and sharing Over the years many prestigious Appalachian authors have taught workshops to like minded students many of whom became published authors in their own right This book a celebration of the HSC is a collection of reflective essays poetry fiction and non fiction contributed by 41 authors and student authors who have taken part in the conference over a span of 43 years *The Cove* Ron Rash, 2012-11-06 The New York Times bestselling author of *Serena* returns to Appalachia this time at the height of World War I with the story of a blazing but doomed love affair caught in the turmoil of a nation at war Deep in the rugged Appalachians of North Carolina lies the cove a dark forbidding place where spirits and fetches wander and even the light fears to travel Or so the townsfolk of Mars Hill believe just as they know that Laurel Shelton the lonely young woman who lives within its shadows is a witch Alone except for her brother Hank newly returned from the trenches of France she aches for her life to begin Then it happens a stranger appears carrying nothing but a beautiful silver flute and a note explaining that his name is Walter he is mute and is bound for New York Laurel finds him in the woods nearly stung to death by yellow jackets and nurses him back to health As the days pass Walter slips easily into life in the cove and into Laurel s heart bringing her the only real happiness she has ever known But Walter harbors a secret that could destroy everything and danger is closer than they know Though the war in Europe is near its end patriotic fervor flourishes thanks to the likes of Chauncey Feith an ambitious young army recruiter who stokes fear and outrage throughout the county In a time of uncertainty when fear and ignorance reign Laurel and Walter will discover that love may not be enough to protect them This lyrical heart rending tale as mesmerizing as its award winning predecessor *Serena* shows once again this masterful novelist at the height of his powers **James Dickey Newsletter** ,2005 *Quill & Quire* ,2005
