

The ACT Assessment

Sample Test Booklet and Answer Document

A sample answer document appears on pages 37 and 38. Instructions for using the sample test begin on page 33.

The booklet contains tests in English, Mathematics, Reading, and Science Reasoning. These tests measure skills and content highly related to high school course work and success in college. **YOU WILL NOT BE ALLOWED TO BRING ANY CALCULATOR TO THE ACT.**

The questions in each test are numbered, and the suggested answer for each question appears on the answer document. The rows of circles are numbered to match the questions. Fill the mark in each row and column that corresponds to the suggested answer.

For each question, first decide which answer is best. Then, bubble on the answer document the row of circles numbered the same as the question. Then, bubble the mark in that row that matches the letter of your answer. Bubble **00** in the oval completely. Use a #2 or #3 pencil and make your marks heavy and black. **DO NOT USE A SHARPENED PENCIL.**

Make sure you bubble in each question. If you change your mind about an answer, erase your first mark thoroughly before making your new answer. For each question, make certain that you mark in the row of circles with the same number as the question.

Only responses marked on your answer document will be scored. Your answer on each test will be scored only on the number of questions you answer correctly during the time allowed for that test. You will **NOT** be awarded for guessing. **IT IS TO YOUR ADVANTAGE TO ANSWER EVERY QUESTION IF YOU KNOW SOME.**

You may work on each test **ONCE** when your test supervisor tells you to do so. If you finish a test before time is called for that test, you should use the time remaining to decide whether guessing will be uncertain about on that test. You may **NOT** use books or a test on which time has already been called, and you may **NOT** go ahead to another test. To do so will deprive you from the examination.

Use your pencil down immediately when time is called on the end of each test. You may look for one response to be correct for a test after time is called for that test. To do so will deprive you from the examination.

Do not handle the pages of your test booklet.
