

# SAP SuccessFactors Workforce Analytics: Enable Effective Decision Making

Do you make decisions about your people with the same rigor and confidence as your decisions about money, customers, technology or business opportunities? Do your analytics contain stories and insights that readily communicate results and action to your executives? Do you know how you compare to other companies in your industry or region?

**What if you could confidently answer...**

- What is our actual headcount?
- What is our profit per employee? How does it compare against industry leaders?
- Which business units or regions have the highest or lowest goal achievement percentages? Why?
- What is our voluntary turnover rate among top performers and how does that impact our ability to meet our strategic goals?
