Child And Adolescent Development In Your Classroom By Christi Crosby Bergin:

Child and Adolescent Development in Your Classroom, Topical Approach David Allen Bergin, Christi Crosby Bergin, 2024-03-06 Bergin Bergin's CHILD AND ADOLESCENT DEVELOPMENT IN YOUR CLASSROOM TOPICAL APPROACH 4e provides future teachers with authentic research based strategies and guidelines for the classroom. Child development concepts are applied to relevant interesting topics including classroom discipline, social emotional development, and well being, how to motivate learners, and many others. Individual and group diversity among children is emphasized. Case studies and real world vignettes bridge the distance between research and the classroom. By linking theory, research, practice, and emphasizing application, the book helps teachers create an environment that promotes optimal development in children. With over 1000 new references, the book remains at the cutting edge of research. MindTap online learning experience with videos, applied activities, an e portfolio, and more is also available.

Child and Adolescent Development in Your Classroom Christi Ann Crosby Bergin, David Allen Bergin, 2012. Covering development from early childhood through high school in an easy to follow format, this book provides future teachers with authentic research based strategies and guidelines for their classrooms. The authors apply child development concepts to topics of high interest and relevance to teachers, including classroom discipline, constructivism, social emotional development, and many others. A strong emphasis on diversity among children is reflected throughout. Case studies and real world vignettes further bridge the distance between research and the classroom, helping future teachers be better prepared to create an environment that promotes optimal development in children.

Child and Adolescent Development in Your Classroom Christi Crosby Bergin, David Allen Bergin, 2011-01-01. Covering development from early childhood through high school in an easy to follow format, this book provides future teachers with authentic research based strategies and guidelines for their classrooms. The authors apply child development concepts to topics of high interest and relevance to teachers, including classroom discipline, constructivism, social emotional development, and many others. A strong emphasis on diversity among children is reflected throughout. Case studies and real world vignettes further bridge the distance between research and the classroom, helping future teachers be better prepared to create an environment that promotes optimal development in children. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Child and Adolescent Development in Your Classroom, Chronological Approach Christi Crosby Bergin, David Allen Bergin, 2018-02-08. Bergin and Bergin's CHILD AND ADOLESCENT DEVELOPMENT IN YOUR CLASSROOM CHRONOLOGICAL APPROACH prepares future teachers to create an environment that promotes optimal development for all children. Addressing concerns stated in NICHD and NCATE's joint report, i.e. that child development courses need to offer more realistic illustrations of development concepts or better tie concepts to the classroom, the book helps college instructors meet the challenge of translating up to date research into realistic, high quality classroom practice. It uses attention grabbing real world vignettes, anticipates

questions that teachers might ask provides an easy to follow format and focuses on topics of interest and relevance to teachers including classroom discipline aggression emotion regulation and many others This accessible new text also places a strong emphasis on diversity among children and is ideal for teachers who will be working with children from infancy through high school Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
