Framed by War Susie Woo, 2019-11-19 An intimate portrait of the postwar lives of Korean children and women Korean children and women are the forgotten population of a forgotten war Yet during and after the

Korean War they were central to the projection of US military cultural and political dominance Framed by War examines how the Korean orphan GI baby adoptee birth mother prostitute and bride emerged at the heart of empire Strained embodiments of war they brought Americans into Korea and Koreans into America in ways that defined and at times defied US empire in the Pacific What unfolded in Korea set the stage for US postwar power in the second half of the twentieth century and into the twenty first American destruction and humanitarianism violence and care played out upon the bodies of Korean children and women Framed by War traces the arc of intimate relations that served as these foundations To suture a fragmented past Susie Woo looks to US and South Korean government documents and military correspondence US aid organization records Korean orphanage registers US and South Korean newspapers and magazines and photographs interviews films and performances Integrating history with visual and cultural analysis Woo chronicles how Americans went from knowing very little about Koreans to making them family and how Korean children and women who did not choose war found ways to navigate its aftermath in South Korea the United States and spaces in between *Whiteness on the Border* Lee

Bebout,2016-12-13 The many lenses of racism through which the white imagination sees Mexicans and Chicanos Historically ideas of whiteness and Americanness have been built on the backs of racialized communities The legacy of anti Mexican stereotypes stretches back to the early nineteenth century when Anglo American settlers first came into regular contact with Mexico and Mexicans The images of the Mexican Other as lawless exotic or non industrious continue to circulate today within US popular and political culture Through keen analysis of music film literature and US politics *Whiteness on the Border* demonstrates how contemporary representations of Mexicans and Chicano as are pushed further to foster the idea of whiteness as Americanness Illustrating how the ideologies stories and images of racial hierarchy align with and support those of fervent US nationalism Lee Bebout maps the relationship between whiteness and American exceptionalism He examines how renderings of the Mexican Other have expressed white fear and formed a besieged solidarity in anti immigrant rhetoric and policies Moreover *Whiteness on the Border* elucidates how seemingly positive representations of Mexico and Chicano as are actually used to reinforce investments in white American goodness and obscure systems of racial inequality *Whiteness on the Border* pushes readers to consider how the racial logic of the past continues to thrive in the present *An*
