

Clinical Immunology & Serology

FIFTH EDITION

A Laboratory Perspective

Linda E. Miller

Christine Dorresteyn Stevens

The background of the cover features a composite of microscopic images. On the left, there are three vertically stacked rectangular panels showing green fluorescent spots on a dark background. To the right of these panels is a large, detailed image of a virus, possibly a coronavirus, with a purple and orange core and numerous purple spike proteins extending from its surface. The text 'Test Bank' is overlaid in large white letters on a semi-transparent grey rectangular area that spans across the middle of the cover, partially obscuring the virus image.
