### INTRODUCTION

English has been considered as an essential language to be learnt in order to meet the communication needs in this globalization era. Taking into account the benefits of English, Indonesia has organized English to be taught in formal school as a compulsory subject. As stated in standard of content by Kemendikbud 2013, the teaching of foreign language, specifically English, is aimed to develop students' ability to communicate with world society. Therefore, it is taught in different kind of grade levels. The teaching includes the teaching of the four skills, listening, speaking, reading, and writing and each of the micro skills.

Vocabulary is one of crucial aspects to support those skills. As stated by Richards

and Renandya (2002), vocabulary is a core component of language proficiency and provides much of the basis of how well learners speak, listen, and write. The vocabulary mastery will affect someone's ability in using the language either in spoken or written form. In listening skill, to be able to understand someone utterance, people should know what the meaning of words and sentences being said. Therefore, they know the intention of the utterance and are able to react either through action or answer it using spoken utterance, which here, they have to use words to do that. Additionally, to be able to understand what people is reading, they should be able to understand the meaning that is being conveyed through the written words. And as what needed in speaking,
