

INDIAN TRADITION OF LINGUISTICS

MINU V.

INTRODUCTION- SANSKRIT LINGUISTICS

- The religious hymns of the Hindus were composed in Sanskrit around 1800-1200 BC.
- Sanskrit became the language of religion, of 'mantra' and of ritual.
- There was a belief that this language should be preserved in its original grammar and pronunciation for the effective practice of religious rituals.
- Sanskrit grammar originated as an attempt to preserve the classical language of the scriptures.
- This led to a comprehensive description of Sanskrit at the levels of phonetics, grammar and semantics. Thus a tradition of scholarship in linguistics developed which spanned several centuries.

PANINI

- The most important name in Sanskrit linguistics is that of the grammarian Panini (around 400 BC), who gave a detailed description of Sanskrit grammar.
