Rehab Is Not for the Soul Gary Bentley, 2012-08-01 Any attempt to rehabilitate someone without the saving power of God is only a temporary fix In *Rehab Is Not for the Soul A Journey Out of Addiction* Gary Bentley makes a poignant and highly personal case that recovery from drug and alcohol addiction is possible only through spiritual surrender to God Gary Bentley was an alcoholic at age 16 and was jailed many times over the next 18 years for fraud and drug related crimes He saw his work and home life fall apart as a result of his addictions and he tried secular rehab programs in always futile attempts to come to his senses as the prodigal son did in Luke 15 17 Yet as he shows rehab only means to restore oneself to an earlier condition and what the addict needs is a spiritual heart transplant If you or someone you love is suffering from addiction Gary reaches out to you with his example of success Thanks to a spiritual awakening and the yearlong free recovery program offered by the worldwide Christian program Teen Challenge he shows how biblical principles wise family support and faith can create total transformation BIO Gary Bentley came into the Teen Challenge program in 1997 after 18 years of substance abuse and four secular rehabilitation centers After losing everything because of his addictions he was homeless on the streets of New Orleans Today he is a husband father of one and grandfather of two Gary serves as the COO of Louisiana Teen Challenge and also helps train leaders for Teen Challenge in Russia
