historical origins and legal structures of the US EU regimes to develop proposals on how to modify the EU s current legal structure to ensure proper enforcement of RPM behaviour that actually enhances legal certainty through a more aligned approach at the national level Part III proposes five solutions which scrutinise the concepts of appreciability hardcore and by object restraints to implement modifications to EU s current legal framework to ensure RPM receives reasonable and equitable treatment in line with economic theory **Paperbound Books in Print** ,1992 Library Journal ,1973-07
