**Michael Brown**

## **International Business By Daniels 13th Edition:**

A Guide to Financing Mechanisms in International Business Transactions Sang Man Kim, 2019-09-04 This book outlines features of international business transactions and discusses their various associated risks For the successful completion of an international business transaction depending on its terms both parties need access to funds This text deals with financing mechanisms mainly in the international sale of goods and in overseas construction projects Concerning financing international sale of goods it discusses export working capital financing documentary credit negotiation of bills of exchange export factoring and international forfaiting Concerning financing an overseas construction project this book discusses supplier and buyer credit project finance syndicated loans and independent guarantees or standby letters of credit The book also covers export credit insurance or export credit guarantee which is very useful for the facilitation of financing in the international sale of goods and in overseas construction projects

### **Understanding Cross-cultural Management**

Marie-Joëlle Browaeys, Roger Price, 2019 Given the global nature of business today and the increasing diversity within the workforce of so many industries and organisations a cross cultural component in management education and training has become essential This is the case for every type of business education whether it be for aspiring graduates at the start of their careers or senior managers wishing to increase their effectiveness or employability in the international market The 4th edition of Understanding Cross Cultural Management has been adapted in line with the feedback from our many readers and boasts new case study material based on recent research as well as a stronger focus on Asian cultures thereby providing more non Western examples

**International Management in Service Firms** Dirk Klimkeit, Pengji Wang, Huiping Zhang, 2024-05-22 This textbook examines how service firms manage their international operations For the first time it brings together insights from the fragmented literature on this subject into an accessible textbook Further it is unique in its focus on service firms internationalization and international management Beginning with an overview of the international environment in which service firms operate it subsequently describes multinational service firms and their internationalization processes strategies and organization Unlike most texts on international services the book goes beyond internationalization to address the ongoing management of service firms It not only addresses functions such as global service marketing financial management and human resource management but also discusses aspects such as global account management global service delivery and international project management as well as the topical issue of managing distributed virtual teams A dedicated chapter focuses on offshore shared services and business process outsourcing These chapters are complemented by a discussion on international corporate governance and corporate social responsibility The book is intended for students preparing for international careers in the service sector Each chapter includes case studies illustrations highlighted definitions a chapter summary and exercises
