Look at the images and write the number of the correct description for them. Underline the words that worked as a clue.

1. Simone enjoyed the scenic view from the train cabin. It was a long-awaited trip she had planned for months. With her journal in hand, she felt at peace, ready to document her memorable journey.
2. The kids enjoyed their time at the cafe. They ate their favorite pizzas and burgers. It was the first day of their summer break, and the strawberry slushies were perfect companions.
3. The windows let in plenty of light. The passengers' hustling and bustling filled the plane. Bri, the flight attendant, was delighted to see a furry little passenger, a black cat. It was Mrs. Brian's cat.
4. The children had a great time at Susie's birthday party. They had a delicious chocolate cake at the party. It was the perfect party in the park on a perfect sunny day.

Interpreting Text And Visuals Worksheet:

International Guide to Student Achievement John Hattie, Eric M. Anderman, 2013-01-17 The International Guide to Student Achievement brings together and critically examines the major influences shaping student achievement today. There are many often competing claims about how to enhance student achievement raising the questions of What works and What works best. World renowned bestselling authors John Hattie and Eric M. Anderman have invited an international group of scholars to write brief empirically supported articles that examine predictors of academic achievement across a variety of topics and domains. Rather than telling people what to do in their schools and classrooms this guide simply provides the first ever compendium of research that summarizes what is known about the major influences shaping students academic achievement around the world. Readers can apply this knowledge base to their own school and classroom settings. The 150 entries serve as intellectual building blocks to creatively mix into new or existing educational arrangements and aim for quick easy reference. Chapter authors follow a common format that allows readers to more seamlessly compare and contrast information across entries guiding readers to apply this knowledge to their own classrooms their curriculums and teaching strategies and their teacher training programs.

Building Blocks for Learning Occupational Therapy Approaches Jill Jenkinson, Tessa Hyde, Saffia Ahmad, 2008-11-20 Building Blocks for Learning Occupational Therapy Approaches is a resource book for educational staff and pediatric occupational therapists especially those new to the field. It shows how the implications of physical psychological social and learning difficulties impact upon children's abilities. This highly practical book will help readers recognize when a student's poor performance within the classroom is a result of a medical condition or underlying motor and perceptual deficits.
