## **Che Guevara A Revolutionary Life:**

**Che** Jon Lee Anderson, 2018-11-13 A remarkable accomplishment one that belongs next to such works of graphical history as the March series and Shigeru Mizuki's Showa books By foregrounding the tension between myth and truth Che illuminates the present state of our politics as well as the past NPR The graphic adaptation of the groundbreaking and definitive biography of Che Guevara Che Guevara's legend is unmatched in the modern world Since his assassination in 1967 at the age of thirty nine the Argentine revolutionary has become an internationally recognized icon as revered as he is controversial As a Marxist ideologue who sought to end global inequality by bringing down the American capitalist empire through armed guerrilla warfare Che has few rivals in the Cold War era as an apostle of revolutionary change In *Che A Revolutionary Life* Jon Lee Anderson and Jos Hernandez present the man behind the myth creating a complex and human portrait of this passionate idealist Adapted from Jon Lee Anderson's definitive masterwork Che vividly transports us from young Ernesto's medical school days as a sensitive asthmatic to the battlefields of the Cuban revolution from his place of power alongside Castro to his disastrous sojourn in the Congo and his violent end in Bolivia Through renowned Mexican artist Jos Hernandez's drawings we feel the bullets wing past the head of the young rebel in Cuba we smell the thick smoke of his and Castro's cigars and scrutinize his proud face as he's called Comandante for the first time With astonishing precision color and drama Anderson and Hernandez's Che makes us a witness to the revolutionary life and times of Che Guevara

**ERNESTO CHE GUEVARA** Marcos A. Alvarez, 2013-02-12 This book is a compilation of facts and ideas expressed by Guevara in his own speeches essays interviews working papers diary and others from conversations of family members friends subordinates and Castro including information from his best known biographers and supporters persuasive works published in Cuba and out after Che's death in Bolivia This was when he was not a threat to Fidel Castro's megalomania when Guevara did not constitute anymore a danger to Fidel's dream of becoming a hero and he would be the most important politician in America even perhaps in the whole world At that moment it was very important for Castro to use his limitless power in the Cuban government to develop the instrumentality necessary to transform Che's figure in what he is today an icon *My Life With Che* Hilda Gadea, 2008-09-30 He stayed to talk that day for some time Eventually Lucila left the room Then we turned to more personal matters the disagreement completely forgotten I confessed that I had been deeply moved by what he had written in the book Che Guevara's first wife Hilda Gadea was with him during a tumultuous period in his life the period which turned him from an intellectual theorist to a dedicated revolutionist After 5 years of marriage and the birth of their daughter Hildita Hilda Gadea paints an intimate and extraordinary portrait of this legendary figure one who is a

romantic wanderer a philosopher and doting suitor and father Ernesto Guevara and Hilda Gadea met in Guatemala as members of the political exile community Later they were forced to flee Mexico where their friendship grew stronger and where stimulated by the intelligence and knowledge of Hilda Che's vista's broadened and his convictions hardened Hilda's account of their life together in Mexico is filled with joy but at times is terribly strained They found it difficult to make a living and Che suffered from severe asthmatic attacks Nevertheless the excitement of involvement with the Castros and other Cuban refugees infuses every page Gradually the character of this great leader is revealed by the woman who knew him best providing a vital key to a comprehension of Che's legendary qualities **Che Guevara**, Thinkers, Activists, and Politics

Jorge G. Castañeda, 2009-07-16 By the time he was killed in the jungles of Bolivia where his body was displayed like a deposed Christ Ernesto Che Guevara had become a synonym for revolution everywhere from Cuba to the barricades of Paris This extraordinary biography peels aside the veil of the Guevara legend to reveal the charismatic restless man behind it Drawing on archival materials from three continents and on interviews with Guevara's family and associates Castaneda follows Che from his childhood in the Argentine middle class through the years of pilgrimage that turned him into a committed revolutionary He examines Guevara's complex relationship with Fidel Castro and analyzes the flaws of character that compelled him to leave Cuba and expend his energies and ultimately his life in quixotic adventures in the Congo and Bolivia A masterpiece of scholarship **Companero** is the definitive portrait of a figure who continues to fascinate and inspire the world over **Reminiscences of the Cuban Revolutionary War**
