Leading in the Digital World Amit S. Mukherjee, 2020-02-25 The definitive book on leadership in the digital era why digital technologies call for leadership that emphasizes creativity collaboration and inclusivity Certain ideas about business leadership are held to be timeless and certain characteristics of leaders often including a square jaw a deep voice and extroversion are said to be universal In Leading in the Digital World

Amit Mukherjee argues that since digital technologies are changing everything else how could they not change leadership ideologies and styles As more people worldwide participate equally in business those assumptions of a leader s ideal profile have become irrelevant Offering a radical rethinking of leadership Mukherjee shows why digital technologies call for a new kind of leader one who emphasizes creativity collaboration and inclusivity Drawing on a global survey of 700 mid tier to senior executives and interviews with C level executives from around the world Mukherjee explains how digital technologies are already reshaping organizations and work and what this means for leaders For example globally dispersed businesses can t reserve key leadership roles for people from exclusive groups leadership must become inclusive or fail Leaders must learn to collaborate in a multipolar world of networked organizations working with co located and non co located colleagues Leaders must lead for creativity rather than productivity Focusing on practice Mukherjee outlines goals and strategies warns against unthinking assumptions and explains how leaders can identify the mindsets behaviors and actions they need to pursue With *Leading in the Digital World* Mukherjee offers the definitive book on leadership for the digital era
