In The Meantime Finding Yourself And Love You Want Iyanla Vanzant:

In the Meantime Iyanla Vanzant, 1999-09-14 The most powerful spiritual healer fixer teacher on the planet Oprah Winfrey The 1 national bestseller from the host of the show Iyanla Fix My Life on the Oprah Winfrey Network OWN that answers the question What's love got to do with it in the meantime You know where you want to be but you have no clue how to get there You know exactly what you want in life but what you want is nowhere in sight Perhaps your vision is unclear your purpose still undefined On top of it all your relationships particularly your romantic relationships are failing If these scenarios feel familiar way down in the deepest part of your gut then you my dear are smack dab in the middle of the meantime Every living being wants to experience the light of love The problem is that our windows are dirty The windows of our hearts and minds are streaked with past pains and hurts past memories and disappointments In this book Iyanla Vanzant teaches us how to do our mental housekeeping so that we can clean the windows floors walls closets and corners of our minds If we do a good job our spirits will shine bringing in the light of true love and happiness [Your Journey to Peace](#) Rosemary McCarthy, 2016-10-21 Intertwined with Rosemary McCarthy's personal journey of shifting from an angry frustrated person blaming others for her unhappiness to someone who now lives content with herself and in harmony with others Your Journey to Peace brings the esoteric to the practical and maps out how to become your Best Self and feel empowered in all areas of your life It also explains Why we are the way we are individually and collectively and how we got this way How we find peace within ourselves by making peace in our relationships and all situations That God does not allow for suffering We create it by upholding dualistic concepts of me and you and us and them that we embraced at our beginnings and before form The precursor to the Big Bang was the need for form to play out those dualistic concepts we chose at our beginnings all our issues stem from those original concepts based on ideas of separation rather than unity That understanding time makes the seven day creation model valid What are the extraterrestrials origins How we can reconcile the growing evidence of our past association with the ETs and our scriptures and beliefs Our need to embrace the Indigenous peoples connection to Gaia That we chose to be here at this time of the Shift to bring about our personal and Gaia's Ascensions [What Did I Learn Today? Lessons on The Journey to Unconditional Self-Love](#) Akosua Dardaine Edwards, 2013-08 It's a funny thing when you take responsibility for your life and tell the absolute and brutal truth What's the famous saying The truth will set you free Yes it sure does The time had come to be brutally honest to tell the truth to take responsibility This is my story the journey of how I discovered love for me unconditionally [Tommyland](#) Tommy Lee, 2009-10-13 The New York Times bestseller in which Tommy Lee rock and roll's most notorious bad boy bares it all and boy is there a lot to bare I am Tommy Lee born Thomas Lee Bass in Athens Greece on October 3 1962 and raised in a suburb of California by an American father and a Greek mother At seventeen I joined Mötley Crüe and we became one of the baddest ass rock bands in history We sold over 40 million albums we wreaked havoc we scared parents and we titillated too many fathers daughters I've been married three times once for just

a few days to a Penthouse Pet for seven years to Heather Locklear and then for five years to Pamela Anderson with whom I have two beautiful sons I've gotten into a lot of fights and I've been to jail a few times But this book isn't your typical journey in a straight line from day one to day now I'm more interested in revealing what's most important about my life like how I cook my steaks what I think of the tabloids the truth my ex-wives my ex-band my music and what an innocent observer might find hanging around my house any given Sunday You'll get plenty of facts and I'll tell you a story but my real mission here is to paint you a picture of my life I want to show you how my memories smell I'd like to get into it now so please take your seats I advise you to keep your arms and legs inside the car at all times If you have a pacemaker a heart condition or if you are pregnant or too damn short to reach the safety bar I ask that you turn back immediately Those with weak stomachs strict morals or chronic indigestion should put the book down now For the rest of you there's one truth that's real across the board What you send out is what you get back Send out the good people and it will come back to you There's another thing I've learned over the years in court in fights and in arguments with people I love There isn't one truth there are many This book is my truth
