The brave quest of Christopher McCandless that ultimately led to his death. It was 1992 and a young man decided to invent a new life for himself in the boldest way possible. He gave his savings to charity, abandoned his car and the vast majority of his possessions and last but not least burned all the cash in his wallet. And now a man with no worldly possessions braced himself and went into a vision quest with no map, no cash, no car. How did this journey turn out for him? And what can we learn from his initiative? Note: This summary is wholly written and published by Abbey Beathan. It is not affiliated with the original author in any way. I read somewhere how important it is in life, not necessarily to be strong but to feel strong, to measure yourself at least once. Jon Krakauer: The protagonist wanted a start over, a fresh start where even his name would be different. And in order to fulfill that desire and to live in an unfiltered way, the experiences that nature presented, he got rid of every bit of technology or cash he had in hand and decided to roam the world. Sadly, four months after his journey began, his decomposed body was found by a party of moose hunters. However, the ending is not what makes it unforgettable, but the events that led up to it and in *Into the Wild* you'll read about the entire story. Witness the story of McCandless and his unique journey where nature was his only friend.

P.S. *Into the Wild* is a fascinating story that tells us all about McCandless' vision quest. P.P.S. It was Albert Einstein who famously said that once you stop learning, you start dying. Into Thin Air Jon Krakauer, 1997-04-22 When Jon Krakauer reached the summit of Mt Everest in the early afternoon of May 10 1996 he hadn t slept in fifty seven hours and was reeling from the brain altering effects of oxygen depletion As he turned to begin his long dangerous descent from 29 028 feet twenty other climbers were still pushing doggedly toward the top No one had noticed that the sky had begun to fill with clouds Six hours later and 3 000 feet lower in 70 knot winds and blinding snow Krakauer collapsed in his tent freezing hallucinating from exhaustion and hypoxia but safe The following morning he learned that six of his fellow climbers hadn t made it back to their camp and were desperately struggling for their lives When the storm finally passed five of them would be dead and the sixth so horribly frostbitten that his right hand would have to be amputated Into Thin Air is the definitive account of the deadliest season in the history of Everest by the acclaimed journalist and author of the bestseller Into the Wild On assignment for Outside Magazine to report on the growing commercialization of the mountain Krakauer an accomplished climber went to the Himalayas as a client of Rob Hall the most respected high altitude guide in the world A rangy thirty five year old New Zealander Hall had summited Everest four times between 1990 and 1995 and had led thirty nine climbers to the top Ascending the mountain in close proximity to Hall s team was a guided expedition led by Scott Fischer a forty year old American with legendary strength and drive who had climbed the peak without supplemental oxygen in 1994 But neither Hall nor Fischer survived the rogue storm that struck in May 1996 Krakauer examines what it is about Everest that has compelled so many people including himself to throw caution to the wind ignore the concerns of loved ones and willingly subject themselves to such risk hardship and expense Written with emotional clarity and supported by his unimpeachable reporting Krakauer s eyewitness account of what happened on the roof of the world is a singular achievement Into the Wild is available on audio read by actor Campbell Scott
