Ballet and Modern Dance , 1983 *Ballet and Modern Dance* Susan Au, 2002 **Choreography Observed** Jack Anderson, 1997-03-01 For over twenty years Jack Anderson has been writing about dance performances His essays and reviews have appeared in daily newspapers specialist monthlies and critical quarterlies For the last ten years he has been a dance critic for the New York Times In *Choreography Observed* Jack Anderson has selected writings that focus most directly on choreographers and choreography in order to illuminate the delights and problems of dance and to reveal the nature of this nonverbal but intensely expressive art form His essays and reviews deal with individual choreographers from Bournonville Petipa and Fokine to Balanchine Paul Taylor Meredith Monk and Pina Bausch individual works are also discussed in detail such as Nijinsky's *Afternoon of a Faun* Antony Tudor's *Pillar of Fire* Alvin Ailey's *Flowers and Kei Takei's* *Light* Other pieces focus on the Baroque dance revival contemporary multimedia dance theatre choreography for men the complex relationship between ballet and modern dance and how and how not to revive the classics No other book especially no other selection from the work of a single critic has dealt with choreography in such an original and focused way Anderson brings his trained eye and wide experience in the arts to bear on dance while stressing the primacy of the choreographer as auteur By refusing to get bogged down in highly technical terminology he makes his insights available to a wide range of readers interested in expanding their understanding of this ever more popular art form **Art Without Boundaries** Jack Anderson, 1997 International in scope and heterogeneous in aesthetics modern dance reaches across all boundaries defying or redefining the conventions and time periods of countries where it has flourished Out of his long experience as dance critic for the New York Times and the *Dancing Times* of London Jack Anderson gives us this important comprehensive history of one of the liveliest and most unpredictable of the arts illustrated with thirty six images of dancers dances and choreographers Treating modern dance as a self renewing art Anderson follows its changes over the decades and discusses

the visionary choreographers some of whose lives are as colourful and tumultuous as their creations who have devised new modes of movement Art without Boundaries begins with an analysis of the rich mixture of American and European influences at the end of the nineteenth century that prompted dancers to react against established norms Anderson shows how reformist social and educational ideas as well as the impact of the arts of Asia and ancient Greece led such pioneers as Loie Fuller Maud Allan Isadora Duncan and Ruth St Denis to forge deeply personal views Anderson discusses the increasingly bold approaches of choreographers and dancers after World War I how the politically troubled thirties gave rise to social protest dance in America and how the menace of facism was reflected in the work of European practitioners Following World War II many European nations turned to ballet whereas American modern dance prospered under inventive new choreographers like Jose Limon Merce Cunningham Paul Taylor and Alwin Nikolais The book concludes with an authoritative view of how modern dance thrives once again on a worldwide basis Renowned for his dance criticism Jack Anderson is also an accomplished and widely published poet For many years his colourful and precise writing on dance has appeared in such leading dance publications as the New York Times Dancing Times and Dance Magazine He has taught and served on critical panels at dance seminars and festivals throughout the world He is also the author of Choreography Observed Ballet and Modern Dance A Concise History and The American Dance Festival among others *Ballet & Modern Dance*, 1974
