The American Shorthorn Herd Book, 1879 *The American Short-horn Herd Book* Lewis Falley Allen, William T. Bailey, 1904 *Dramatic Mirror and Theatre World*, 1921 *The New Lives of Images* Adrian J. Ivakhiv, 2025-09-30 In this ambitious new work eco philosopher and cultural theorist Adrian Ivakhiv presents an incisive new way of thinking about images and imagination Drawing upon an immense range of materials Ivakhiv reassesses the place of imagination in cultural life analyzing how people have interacted with images in the past and the ways that digital media are profoundly altering these relationships today The book contributes powerfully to the study of visual culture and digital media and provides provocative interpretations of a range of important artists and media movements from the work of photographer Edward Burtynsky the ambitious multi screen installations of John Akomfrah the abstract art of Swedish spiritualist Hilma af Klint and the Afrofuturism of jazz musicians like Sun Ra and poet Alexis Pauline Gumbs to the ever expanding universe of animal videos on YouTube Along the way the book delves into animacy and religious imagery iconophilia and iconoclasm divination and prophecy truthiness and enchantment networks online communities and artificial intelligence the political and affective economies of digital media and the role of utopian futurism in the present climate colonial Anthropocene predicament The result is a vital contribution toward a more empowering conception of the creative imagination and its possibilities in today's emerging digital ecology **Ebony**, 2008-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Ebony*, 2008-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **A Piece of the Action** Eithne Quinn, 2019-12-31 Hollywood is often thought of and certainly by Hollywood itself as a progressive haven However in the decade after the passage of the Civil Rights Act the film industry grew deeply conservative when it came to conflicts over racial justice Amid black self assertion and white backlash many of the most heated struggles in film were fought over employment In *A Piece of the Action* Eithne Quinn reveals how Hollywood catalyzed wider racial politics through representation on screen as well as in battles over jobs and resources behind the scenes Based on extensive archival research and detailed discussions of films like *In the Heat of the Night* *Sweet Sweetback's Baadasssss Song* *Super Fly* *Claudine* and *Blue Collar* this volume considers how issues of race and labor played out on the screen during the tumultuous early years of affirmative action Quinn charts how black actors leveraged their performance capital to force meaningful changes to employment and film content She examines the emergence of Sidney Poitier and other African Americans as A list stars the careers of black filmmakers such as Melvin Van Peebles and Ossie Davis and attempts by the federal government and black advocacy groups to integrate cinema Quinn also highlights the limits of Hollywood's liberalism showing how predominantly white filmmakers executives and unions hid the persistence of racism behind feel good stories and public relations avowals of tolerance A rigorous analysis of the deeply

rooted patterns of racial exclusion in American cinema *A Piece of the Action* sheds light on why conservative and corporate responses to antiracist and labor activism remain pervasive in today's Hollywood *Ebony*, 2008-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **Ebony**, 2008-03 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *The American Herd Book* Lewis Falley Allen, 1879 To which is prefixed a concise history of English and American Short horns compiled from the best authorities George Clooney Kimberly Potts, 2011-09-01 Applause Books He's famous for twice being People magazine's Sexiest Man Alive for his penchant for practical jokes and his vow never to remarry as well as for his Oscar winning and Emmy nominated acting career But George Clooney's reputation as a celebrity belies his essential seriousness as a businessman a humanitarian and of course in his ascendancy to the Hollywood A list In this updated biography of one of Hollywood's most colorful leading men pop culture expert Kimberly Potts traces Clooney's life from small town boy to big screen idol Clooney slowly and deliberately built a resume that took him from TV stardom on ER to a winning film career as a serious actor writer producer and director Along the way Potts fills us in on Clooney's early attempts to break into film including his Batman flop his many well publicized romances and his political and humanitarian efforts including cofounding the antigenocide organization Not On Our Watch Potts also discusses Clooney's shrewd strategy of alternating blockbuster movie roles with less lucrative passion projects such as *Syriana* and *Good Night and Good Luck* that reflect his personal ethics He won an Academy Award for the former and rave reviews for the latter and has continued to earn accolades and Oscar nominations for smart dramas such as *Michael Clayton* and *Up in the Air* Including fresh interviews essential Clooney photographs an updated filmography and timeline and a list of his favorite 100 films this is the book no Clooney fan will want to be without **The Sketch**, 1921 *The British Film Catalogue* Denis Gifford, 2018-10-24 The standard work on its subject this resource includes every traceable British entertainment film from the inception of the silent cinema to the present day Now this new edition includes a wholly original second volume devoted to non fiction and documentary film an area in which the British film industry has particularly excelled All entries throughout this third edition have been revised and coverage has been extended through 1994 Together these two volumes provide a unique authoritative source of information for historians archivists librarians and film scholars **Showmen's Motion Picture Trade Review**, 1957 Celluloid Mirrors Ronald L.
