

Critical Thinking Assessment Practice Quiz

This practice test is designed to help you figure out how much you know about critical-thinking skills. You may find that you know more than you think you do, because you use these skills in day-to-day living. You may discover that many questions on the practice test are easy to answer, but there could be some you find more difficult. This will help you pinpoint any skills you need to work on.

The practice test has 30 multiple-choice questions. Take as much time as you need to finish the practice test, and then check your answers on the answer key at the end.

1. You conducted a successful job search, and now have three offers from which to choose. What can you do to most thoroughly investigate your potential employers? (Choose all that apply.)
