The Rule Of Entrepreneurship By Rob Yeung:

Rules of Entrepreneurship Rob Yeung, 2007 In 2005 there were 3.2 million small businesses with no employees up from 2.9 million in 2003 and 3.1 million in 2004. These 3.2 million individuals had a combined turnover of 2250 billion. It's a lot of people and a lot of money. So if you want to sack the boss and do your own thing, this is the book for you. Combining genuinely practical advice with an easily digestible format, Rob Yeung guides you through the things you need to know in order to set up on your own. You don't have to do something entirely new; you could just do it better, and Rob shows you how to get motivated, make a business plan, and sell your product. **BSS** Rob Yeung, 2011 Nearly everyone has thought about starting up their own business at one time or another. Working for other people is no longer the only option that we have these days. But what does it really take to become an entrepreneur? Combining genuinely practical advice with an easily digestible format, Rob Yeung guides you through the things you need to know in order to set up on your own. You don't have to do something entirely new; you could just do it better, and this book shows you how to get motivated, make a business plan, and sell your product quickly and effectively. *It Is Time to Get Very Rich* Anyaele Sam Chiyson, 2011-12-15 In this Information Telecommunication and Globalization Age that is transforming so rapidly into greater Wisdom Age, there is an urgent mandate to live beyond the tradition of working a whole month for a cheque. You can not afford to exempt yourself from the most powerful institution on the planet: working for someone else all your life. You can not afford to trade your time for anything when everything is coming up roses for your mates who are making great strides through inculcating information and knowledge with purpose and principles to roll in money passively. In this masterpiece, *It is TIME to Get Very RICH*. Author of The Best Selling Knowledge Book *The Sagacity of Sage*, Anyaele Sam Chiyson takes you beyond the main thing processes, practices, dealings, and even the competence that forms part of your daily life to get you loaded with principles, ideas, revolution, trend, and effectiveness. You need to be in business for yourself and be on top of things on the financial systems that drive the progress of human race. Connoting an exceptional meaning and resonating to an exceptional vibration, this book will teach you how to develop the knowledge, attitude, and skill intelligence you need to crown yourself with entrepreneurial and executive intelligence for a successful business and passive income. It is a book for everyone who wants to work once to make money over and over again. You do not need to roam the streets looking for jobs that are obviously never going to go round or spend the rest of your life working for someone else; you will never get rich as an employee. The road map you need to be in business for yourself, the timing intelligence you will ever need to exhibit the excellence of your executive and entrepreneurial intelligence, and roll in money in every relevant occasion is in this richly business success book. You can be distinguished by self-sustaining riches that are extremely enjoyable and impressive.
