The Professional Wc Heinz:

The Professional W.c. Heinz, 2009-06-16 Originally published in 1958 The Professional is the story of boxer Eddie Brown's quest for the middleweight championship of the world But it is so much more W C Heinz not only serves up a realistic depiction of the circus like atmosphere around boxing with its assorted hangers on crooked promoters and jaded journalists but he gives us two memorable characters in Eddie Brown and in Brown's crusty trainer Doc Carroll They are at the heart of this poignant story as they bond together with their eye on the only prize that matters the middleweight championship The Professional is W C Heinz at the top of his game the writer who covered the fights better than anyone else of his era whose lean sentences rough and ready dialogue dry wit and you are there style helped lay the foundation for the New Journalism of Jimmy Breslin Gay Talese and Tom Wolfe And all the trademark qualities of W C Heinz are on ample display in this novel that Pete Hamill described as one of the five best sports novels ever written **What A Time It Was** W.c. Heinz, 2001-04-12

Many think that W C Heinz stands right alongside the legendary New York Times columnist Red Smith as the greatest sports writer of the 1940s and 50s Paving the way for the New Journalism of Gay Talese Tom Wolfe and Jimmy Breslin Heinz was the first sports writer to make his living exclusively by writing for magazines Whether describing mobbed up boxers crippled jockeys lame horses aspiring ballplayers or driven football coaches Heinz's finely etched indelible portraits recall a sports era less influenced by money image and self indulgence He collaborated with Vince Lombardi on the book Run to Daylight cowrote the novel M A S H with Dr H Richard Hornberger under the pseudonym Richard Hooker and wrote what Hemingway considered to be the only good novel about a fighter I've ever read The Professional In this collection of Heinz's finest writing we meet the immortal Red Grange the injury riddled purest baseball player of his era Pistol Pete Reiser the greatest pound for pound fighter of all time Sugar Ray Robinson and the Brownsville Bum Bummy Davis in a story that Jimmy Breslin calls the best magazine sports story of all time Here is a long overdue homage to a vastly underappreciated writer **FRIDAY**

NIGHT WORLD Roger Zotti, 2014-04-22 Friday Night World is an homage to the author's favorite boxers of the 1950s While some of them are still well known but others aren't they have one thing in common they are all courageous athletes At the same time the book is a memoir about growing up in New Haven during the fifties era You'll also be treated to reviews of books about boxing by Joyce Carol Oates George Plimpton Richard Kaletsky Budd Schulberg and others as well as to personal essays about the sweet science The Art of Fact Kevin Kerrane, Ben Yagoda, 1998-08-03 A comprehensive and illuminating

survey of literary journalism with both historical and international scope this anthology is the only one of its kind In a series of sparkling readings Kevin Kerrane and Ben Yagoda trace the evolution of the so called new journalism back to the 18th century **Sometimes They Even Shook Your Hand** John Schulian, 2011-10-01 Profiles of one of a kind athletes from decades past Provided by publisher Combat Sports David L. Hudson Jr., 2009-05-13 Fistic combat represents the greatest

intense life threatening experience Boxing the sport of kings also has its roots in the ancient civilizations of Greece and Rome Banned in 500 A D by the Emperor Theodoric it resurfaced twelve centuries later in England John Milton praised it as a noble art for building character in young men and sports writer A J Leibling dubbed it the Sweet Science Many of its major protagonists men such as Joe Louis Rocky Marciano and Muhammad Ali have become transcendent near mythic heroes But boxing is not the only combat sport and mixed martial arts in all their ferocious beauty represent the fastest growing sports genre in the world Ultimate Fighting Championships UFC has joined boxing in paying seven figures to some of its champions and draws millions in its pay per view events This book details leading figures in boxing sumo wrestling kickboxing Greco Roman wrestling and mixed martial arts including organizations such as Ultimate Fighting PRIDE K 1 Total Combat and SportFighting Over 150 entries cover champions contenders and other famous combatants from all over the world as well as legendary promoters managers trainers and events Also included in this encyclopedia are sidebars on controversies highlights brief bios and other noteworthy events along with a general timeline
