Innovation in Pricing Andreas Hinterhuber, Stephan M. Liozu, 2013-05-07 Pricing has a substantial and immediate impact on profitability Most companies however still use costs or competition as a main basis for setting prices Product or business model innovation has a high priority for many companies whereas innovation in pricing has received scant attention This book examines how innovation in pricing can drive profits The text examines innovation in pricing from four complementary perspectives Innovation in Pricing Strategy illustrates how companies implement innovative pricing strategies such as customer value based pricing Innovation in Pricing Tactics deals

with innovative tools to measure and increase customer willingness to pay and to communicate value to B2B and B2C customers Innovation in Organizing the Pricing Function looks at state of the art approaches to embed the pricing function in the organization Psychological Aspects of Pricing illustrates how companies can influence customer perceptions of value and price in their question to implement innovation in pricing This edited volume brings together 26 articles from academics business practitioners and consultants Authors are from the world s largest companies leading research based universities and consulting companies specialized in pricing This book is the only book dedicated to innovation in pricing and an essential read for business executives and pricing managers wishing to treat innovation in pricing as seriously as they treat product or business model innovation Pricing: The key to profitability Nicolás Restrepo Abad,2025-05-19 There is a short

questionnaire used to determine whether a company needs help with its pricing strategy Curiously every company that has completed it has answered yes to at least one of the questions Is your company in the middle of a price war Do you feel your customers only buy when your products or services are on promotion Do you set prices based solely on your costs and your competitors prices Do you feel like a victim of tough customers who always want to negotiate better prices and discounts Do you feel you re failing to capture the full value your products or services offer In Pricing The key to profitability the concepts needed to design and implement a complete profit focused pricing strategy are presented in a clear and practical way Each topic is explained through real world examples of companies selling both products and services in consumer and industrial markets alike Nicol s Restrepo has succeeded with this book in presenting price from a strategic and marketing oriented perspective very different from the traditional cost based approach Entrepreneurs executives and marketing students will find in these pages the key to managing price as an active component of business strategy rather than as a last minute commercial tactic Nicol s Restrepo Abad holds an MBA from IE Business School He is currently the President and founding partner of prexus pricing solutions a company dedicated to providing pricing strategy consulting services to large corporations His professional experience also includes roles in fast moving consumer goods Procter Gamble and telecommunications services Orbitel He has served as a pricing strategy professor in graduate programs at several business schools and has been a guest speaker at pricing seminars in major cities across Latin America **Kleppner's Advertising**
