Theory And Practice Of Counseling Psychotherapy 8th Edition

Gerald Corey

Theory And Practice Of Counseling Psychotherapy 8th Edition:

Theory and Practice of Counseling and Psychotherapy Gerald Corey, 2008-01-15 This revision of Gerald Corey's bestselling text introduces students to the major theories of counseling: psychoanalytic, Adlerian, existential, person-centered, Gestalt, reality, behavior, cognitive behavior, family systems, feminist, and postmodern approaches and demonstrates how each theory can be applied to a single case. Stan Corey's eighth edition covers the major concepts of counseling theories, shows students how to apply those theories in practice, and helps them learn to integrate the theories into an individualized counseling style. Incorporating the thinking, feeling, and behaving dimensions of human experience, Corey offers an easy-to-understand text that helps students compare and contrast the therapeutic models. This book is the center of a suite of products that include a revised student manual, a revised casebook, a new DVD titled *Theory in Practice: The Case of Stan*, *The Art of Integrative Counseling*, and CD-ROM. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Student Manual for Corey's Theory and Practice of Counseling and Psychotherapy Gerald Corey, 2012-01-01 Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Counseling and Psychotherapy David Capuzzi, Douglas R. Gross, 2014-11-04 This student-friendly and well-designed introductory text provides a thorough overview of 14 widely used theories. Experts examine each theory from the perspective of its historical background, major constructs, goals, cross-cultural considerations, and limitations. Traditional and brief interventions integrate theory with specific counseling strategies, giving students further insight into the counseling process and guidance in developing their personal counseling style. A consistent case study across chapters reinforces the differences between theories and illustrates assessment of client concerns and treatment planning. Introductory chapters explore core dimensions and brief approaches to the helping relationship and how to best deliver counseling and advocacy services to diverse client groups. A complimentary test manual and PowerPoints for instructors' use are available by request on university letterhead. Requests for digital versions from the ACA can be found on wiley.com. To request print copies, please visit the ACA website here: <http://isgweb.counseling.org>. ISGweb Purchase: ProductDetail.aspx?Product_code=78118.
