Basic Concepts In Monitoring And Evaluation Psc:

Evaluation Management in South Africa and Africa Fanie Cloete, Babette Rabie, Christo De Coning, 2014-12-01 This blind peer reviewed book systematically records analyses and assesses for the first time in a single volume the implications of the global development and management of professional evaluation for the African continent The book deals with the most strategic contemporary evaluation themes Each of these themes contains discussions of theoretical issues illustrated with one or more short case studies while selected longer case studies and other relevant documentation are also taken up in annexures at the end of the book The book therefore comprises a guide to best M E practices for purposes of systematic policy programme and project evaluations It is suitable for both professional M E institutionalisation and capacity building projects as well as for evaluation information dissemination and education at different levels in the public private and voluntary sectors in society especially in a developmental context Democratic Evaluation and Democracy Donna Podems, 2017-02-01 Democratic evaluation brings a way of thinking about evaluation s role in society and in particular its role in strengthening social justice Yet the reality of applying it and what happens when it is applied particularly outside the West is unclear Set in South Africa a newly formed democracy in Southern Africa the book affords an in depth journey that immerses a reader into the realities of evaluation and its relation to democracy The book starts with the broader introductory chapters that set the scene for more detailed ones which bring thorough insights into national government local government and civil societies experience of evaluation democratic evaluation and their understanding of how it contributes to strengthening democracy or not A teaching case the book concludes by providing guiding questions that encourage reflection discussion and learning that ultimately aims to inform practice and theory *Handbook of Public Management in Africa* Gerrit van der Waldt, 2023-12-11 This forward thinking Handbook provides a thorough and comprehensive guide on the positive prospects for public management and governance across the African continent Exploring best practices learned by public management and governments in the region this book examines Africa s ability to leapfrog developed nations in the adoption and adaptation of managerial models techniques and applications for government Africa's Wellbeing in an Uncertain World Vusi Gumede, 2020-11-09 The world remains uncertain Africa is fragile Many issues remain unresolved and the African and global situation is worsening South Africa has been at the crossroads for long enough There can be no more delays the time has come to address the many critical issues In Africa s Wellbeing in an Uncertain World Vusi Gumede discusses these critical issues about Africa with specific focus on South Africa He has revisited opinion articles and blogs he has been writing since the mid 2000s and taken his ideas and arguments together with his deliberations on the recent changes globally and in Africa and presented them in this thought provoking book While taking into account what others have said about similar issues this is an attempt to get us to talk about these challenges the important issues and fundamental problems with a view to finding solutions The future of the African continent could be bright if all the efforts

that are being pursued for the improved wellbeing of Africans succeed But as Vusi Gumede reflects in this book if South Africa is to achieve the society envisaged in the Constitution then all South Africans whatever the colour of their skin have an important role to play
