Ben Gurion The New Millennium Edition:

The Joshua Generation Rachel Havrelock, 2020-06-30 The Joshua Generation examines the book of Joshua's many lives from its relationship to ancient political forms to the present Israeli Occupation. Its scope encompasses the nationalist celebrations and the stringent critiques of the biblical volume along with their impacts on political discourse and lived space.

Lioness Francine Klagsbrun, 2019-04-02 Golda Meir immigrant Zionist feminist and wartime prime minister of Israel claimed far more than one woman's share of history. In *Lioness*, Francine Klagsbrun superbly captures Golda's courage and unrelenting commitment to the founding and survival of a Jewish state. John A. Farrell, author of *Richard Nixon: The Life*, Winner of the 2017 National Jewish Book Award, Everett Family Foundation Book of the Year, this is the definitive biography of the iron-willed leader, chain-smoking political operative and tea and cake serving grandmother who became the fourth prime minister of Israel. Born in tsarist Russia in 1898, Golda Meir immigrated to America in 1906 and grew up in Milwaukee where from the earliest years she displayed the political consciousness and organizational skills that would eventually catapult her into the inner circles of Israel's founding generation. Moving to mandatory Palestine in 1921 with her husband, the passionate socialist, joined a kibbutz but soon left and was hired at a public works office by the man who would become the great love of her life. A series of public service jobs brought her to the attention of David Ben-Gurion and her political career took off. Fund-raising in America in 1948, secretly meeting in Amman with King Abdullah right before Israel's declaration of independence, mobbed by thousands of Jews in a Moscow synagogue in 1948 as Israel's first representative to the USSR, serving as minister of labor and foreign minister in the 1950s and 1960s, Golda brought fiery oratory, plainspoken appeals and shrewd making to the cause to which she had dedicated her life: the welfare and security of the State of Israel and its people. As prime minister, Golda negotiated arms agreements with Richard Nixon and Henry Kissinger and had dozens of clandestine meetings with Jordan's King Hussein in the unsuccessful pursuit of a land for peace agreement with Israel's neighbors. But her time in office ended in tragedy when Israel was caught off guard by Egypt and Syria's surprise attack on Yom Kippur in 1973. Resigning in the war's aftermath, Golda spent her final years keeping a hand in national affairs and bemusedly enjoying international acclaim. Francine Klagsbrun's superbly researched and masterly recounted story of Israel's founding mother gives us a Golda for the ages. *Middle Eastern and African Perspectives on the Development of Public Relations* T. Watson, 2014-11-06 The *National Perspectives on the Development of Public Relations* Other Voices series is the first to offer an authentic world-wide view of the history of public relations. It will feature six books, five of which will cover continental and regional groups. This third book in the series focuses on the Middle East and Africa. [How Do Leaders Make Decisions?](#) Alex Mintz, Dmitry (Dima) Adamsky, 2019-09-23 Understanding how leaders make foreign policy and national security decisions is of paramount importance for the policy community and academia. This book explores how leaders such as Trump, Obama, Netanyahu and others make decisions using the Applied Decision Analysis (ADA) method.
