Britten, 1963 **Benjamin Britten**, 1950 Journeying Boy Benjamin Britten, 2009 Best remembered for his operas and his War Requiem Benjamin Britten's radical politics and his sexuality have also ensured that he remains a controversial public figure *Journeying Boy* is a selection of his diaries that offer the reader an unseen insight into this complex man Encompassing the years 1928-1938 they explore some key periods of Britten's life his early compositions his education first under composer Frank Bridge and then at the Royal College of Music an unhappy but productive period studying under John Ireland and Ralph Vaughan Williams and his reluctant and often painful process of parting from the warm safe environment of his family home and his beloved mother The diaries cast light on an often misrepresented musician whose technique originality and musical prowess have entranced audiences for generations and who continues to inspire composers and musicians around the world Publisher's description **Britten's Gloriana** Paul Banks, 1993 This volume is based on a selection of papers presented during a study course devoted to *Gloriana* held at the Britten Pears School for Advanced Musical Studies in 1991 *Gloriana* has been a source of controversy since its premiere as part of the Coronation celebrations in 1953 It was planned as a national opera of broad appeal by its authors Benjamin Britten and William Plomer but despite wide coverage in the media the opera failed to establish itself in the repertoire until a new production in 1966 revealed it to be a powerful and stageworthy work In recent years it has attracted an increasing amount of scholarly attention This volume offers essays by ROBERT HEWISON PHILIP REED ANTONIA MALLOY DONALD MITCHELL and PETER EVANS which explore the opera's cultural background the early stages of its creative evolution the first critical responses and various

aspects of the work itself these are supplemented by a list of source materials for the opera and the works derived from it and an extensive bibliography **Friday Afternoons Op.7** Benjamin Britten, *Benjamin Britten* Boosey & Hawkes, Ltd., London,1973 Benjamin Britten ... **Letters from a Life Vol 1: 1923-39** Benjamin Britten, 2011-07-07 Volume One of these remarkable letters and diaries opens with a letter from Britten aged nine to his formidable mother Edith Music is already at the centre of his life and it accompanies him through prep and public school and then to London to the Royal College of Music where the phenomenally gifted but inexperienced young composer is plunged into metropolitan life and makes influential new friends among them W H Auden and Christopher Isherwood This was a time of prodigious musical creativity a growing awareness of his sexuality and the dawning of his political convictions Most importantly during this period Britten met Peter Pears and established the musical and personal relationship that was to last a lifetime Volume One comes to a close in May 1939 when Britten accompanied by Pears departs for North America The letters and diaries in this illuminating first volume and its successor are supplemented by the editors detailed commentary and by exhaustive contemporary documentation Together they constitute a comprehensive portrait not only of the composer but of an age
