## The CONTOUR<sup>®</sup>NEXT LINK 2.4 Blood Glucose Monitoring System and the MiniMed<sup>®</sup> 670G system

The MiniMed<sup>®</sup> 670G system is the first Hybrid Closed Loop (HCL) insulin delivery system to be approved anywhere in the world, and includes an insulin pump, a continuous glucose monitoring (CGM) system and a blood glucose meter, the CONTOUR<sup>®</sup>NEXT LINK 2.4 Blood Glucose Monitoring System (BGMS) from Ascensia Diabetes Care. The CONTOUR<sup>®</sup>NEXT LINK 2.4 is the only BGMS FDA-approved for use with the MiniMed<sup>®</sup> 670G system, and provides highly accurate results for CGM calibration and insulin dosing. Both the highly accurate CONTOUR<sup>®</sup>NEXT LINK 2.4 BGMS and the CONTOUR<sup>®</sup>NEXT Test Strips have been approved through the Premarket Approval (PMA) process; the most stringent medical device marketing application pathway required by the FDA.

### CONTOUR<sup>®</sup>NEXT LINK 2.4 BGMS Features:

- Communicates wirelessly with Medtronic's MiniMed<sup>®</sup> 670G system to form the world's first commercialized hybrid closed loop system, that delivers a variable rate of insulin 24 hours a day based on the personalized needs of the individual with diabetes.
- The CONTOUR<sup>®</sup>NEXT LINK 2.4 BGMS was designed to wirelessly transmit highly accurate results for CGM calibration and insulin dosing as part of the MiniMed<sup>®</sup> 670G system.
- The CONTOUR<sup>®</sup>NEXT LINK 2.4 BGMS automatically sends blood glucose results into the Bolus Wizard<sup>®</sup> calculator, allowing patients to discreetly deliver a bolus of insulin remotely from the meter, providing added convenience for patients, and eliminating manual blood glucose entry mistakes to the pump.
- Easy-to-use, manual or preset remote bolusing from the meter allowing patients to discreetly give themselves a bolus of insulin and providing added convenience.
- Uses the highly accurate CONTOUR<sup>®</sup>NEXT Test Strips which offer No Coding<sup>™</sup> technology and Second-Chance<sup>®</sup> sampling:
  - Second-Chance<sup>®</sup> sampling allows people with diabetes to apply more blood to the same test strip if the first sample is insufficient, helping to avoid wasting test strips and providing the potential to save money
  - No Coding<sup>™</sup> technology means one less step in the testing process and eliminates errors due to user miscoding
- Connects directly to patient's computer via USB connector for download of blood glucose and insulin data from the meter to Medtronic's CareLink<sup>®</sup> Personal and CareLink<sup>®</sup> Professional Therapy Management Software for instant access to test results and trends.

According to the FDA, the accuracy of a BGMS is an essential part of any Artificial Pancreas Device Systems (APDS) as it has a major impact on the quality of the calibration and the performance of the APDS. In a laboratory study, the CONTOUR<sup>®</sup>NEXT LINK 2.4 Meter has been demonstrated as highly accurate with 99% of results within  $\pm 10\%$  of lab reference values (YSI reference) helping patients to optimize their insulin pump therapy.<sup>1</sup>

1. Bailey SJ WOC. Accuracy and User Performance Evaluation of the CONTOUR<sup>®</sup>NEXT LINK 2.4 blood glucose monitoring system. *Clinical Chemistry Acta*. 2015;448(1):139-145.

<sup>2</sup> NIS applies to blood glucose values  $\leq 100$  mg/dL per Section 6.3 of the ISO 15197:2013 accuracy standard. The CONTOUR<sup>®</sup>NEXT LINK 2.4 BGMS system has been demonstrated to deliver at least 95% of results within  $\pm 10\%$  of the laboratory reference values at blood glucose levels  $\leq 100$  mg/dL, and within  $\pm 15$  mg/dL at blood glucose values  $> 100$  mg/dL. See the product user guide for additional information on system and user performance.

13. Promoting Lifelong Learning
  - Utilizing eBooks for Skill Development
  - Exploring Educational eBooks
14. Embracing eBook Trends
  - Integration of Multimedia Elements
  - Interactive and Gamified eBooks

### **Contour Next Link 2 4 Blood Glucose Monitoring System Introduction**

In today's digital age, the availability of Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Contour Next Link 2 4 Blood Glucose Monitoring System versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit

organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Contour Next Link 2 4 Blood Glucose Monitoring System books and manuals for download and embark on your journey of knowledge?

### **FAQs About Contour Next Link 2 4 Blood Glucose Monitoring System Books**

1. Where can I buy Contour Next Link 2 4 Blood Glucose Monitoring System books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Contour Next Link 2 4 Blood Glucose Monitoring System book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online

reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Contour Next Link 2 4 Blood Glucose Monitoring System books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Contour Next Link 2 4 Blood Glucose Monitoring System audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Contour Next Link 2 4 Blood Glucose Monitoring System books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
