Marketing in Healthcare-Related Industries Robert E. Hinson,Ogechi Adeola,Yam B. Limbu,Emmanuel
Mogaji,2020-07-01 Marketing in Healthcare Related Industries captures the concepts and complexities of marketing
healthcare in today s environment The book provides detailed conceptual and practical insights that will be of great benefit
to healthcare scholars and practitioners Topics on healthcare marketing have been carefully selected to provide wide
coverage and are illustrated by mini cases with a highly practical marketing tool kit for healthcare managers included The
healthcare sector in the 21st century face a multiplicity of challenges which include changing disease patterns more
technology driven health interventions a more assertive and quality conscious clientele as well as a rapidly growing for profit
segment of the industry This places more responsibilities on healthcare service providers in both the public and private
sectors to deliver value for money services at competitive costs To respond to the changing business environment a carefully
crafted marketing approach is needed by all players in the industry to create value and sustain the confidence of clientele
and stakeholders Praise for Marketing in Healthcare Related Industries Marketing in Healthcare Related Industries is a
timely book as the healthcare industry grows more customer focused and faces increasing pressure to deliver high quality
service at more affordable costs This book will serve as a roadmap for practitioners as it synthesizes insights from many
marketing researchers into useful and actionable advice It should also help students easily master the application of
marketing principles to the healthcare industry with tools like review questions at the end of each chapter and mini cases to
apply marketing concepts Dr Bruce A Huhmann Department Chair and Professor of Marketing Virginia Commonwealth

University Marketing In Healthcare related Industries could not have come at a better time Just as the epidemiological and demographic transitions have changed the cycle of planning resource allocation delivering monitoring and evaluating healthcare especially in developing countries shrinking domestic and donor resources for health and ambitious agendas like the Universal Health Coverage 2030 Agenda make it imperative that healthcare providers do more with less This book provides a clear road map to a MARKETING TRANSITION which links healthcare and marketing in a way hitherto not so clearly outlined The Toolkit will be a valuable tool for undergraduate and graduate students in healthcare provision as well as health practitioners who have traditionally not been trained in this area I commend it highly as a must read book in this area

Dr Victor Asare Bampoe Former Deputy Minister of Health Ghana and currently Director Coordinator Global Financing Technical Support Joint United Nation Programme on HIV AIDS Geneva A truly remarkable scholarly work of our time An easy to read and insightful book that captivates the reader whether practitioner or student Dr Abigail Mensah Korle Bu Teaching Hospital Ghana This book is well written easy to understand and very up to date in its approach to marketing in healthcare related industries It is useful for undergraduate and graduate students as well as healthcare practitioners Dr Gouher Ahmed Professor of Strategic Leadership International Business Skyline University College UAE

Crafting & Executing Strategy Thompson,2013-11-13

The Strategic Manager Harry Sminia,2021-07-25 The Strategic Manager provides a comprehensive logical and applied insight in strategic management Unlike some more theory heavy texts this book focuses on how strategy works in everyday practice taking readers expectations and understanding beyond that of strategy as a matter of planning only It enables the reader to learn and reflect upon their practical skills and knowledge and critically evaluate the strategy process and their own strategic decision making The book is based around six different strategy theories individually presented and supplemented with useful lists of questions that encourage readers to become competent strategic thinkers This third edition has been fully updated throughout including fresh case studies and examples from across Asia Africa and South America that bridge theory with practice new strategy practice boxes considering the importance of cooperation and strategic alliances and reflective questions to aid understanding Essential reading for postgraduate students of strategic management MBA students and those in executive education this text will also be a useful tool for reflective managers trying to develop a better understanding Online resources include chapter by chapter PowerPoint slides
