**Lloyd's Register Technical Association Session 1970-1971** Lloyd's Register Foundation, 1970-01-01 The Lloyd's Register Technical Association LRTA was established in 1920 with the primary objective of sharing technical expertise and knowledge within Lloyd's Register Publications have consistently been released on a yearly basis with a brief interruption between 1938 and 1946 These publications serve as a key reference point for best practices and were initially reserved for internal use to maximise LR's competitive advantage Today the LRTA takes a fresh approach focusing on collaboration by combining professional expertise from across LRF Group to ensure a frequent output of fresh perspectives and relevant content The LRTA has evolved into a Group wide initiative that identifies captures and shares knowledge spanning various business streams and functions To support this modern approach the LRTA has adopted a new structure featuring representatives and senior governance across the business streams and the LR Foundation The Lloyd's Register Technical Association Papers should be seen as historical documents representing earlier viewpoints and are not reflective of current thinking and perspectives by the current LR Technical Association The Lloyd's Register Staff Association LRSA changed its name to the Lloyd's Register Technical Association LRTA in 1973 *The Maritime Labour Convention, 2006* Moira McConnell, Dominick Devlin, Cleopatra Doumbia-Henry, 2011-05-23 The Maritime Labour Convention 2006 MLC 2006 adopted by the International Labour Organization ILO in 2006 is the fourth pillar of the international maritime regulatory regime It both fills a gap in the 1982 United Nations Convention on the Law of the Sea and complements the International Maritime Organization's IMO core conventions on ship safety security training and pollution prevention Aimed at achieving both decent work for seafarers and fair competition for shipowners the MLC 2006 covers most aspects of maritime labour It establishes an effective enforcement and compliance system with for the first time certification of seafarers working and living conditions on ships With its interwoven labour and social rights and economic goals the MLC 2006 is an international legal instrument that will have a significant impact on approaches to labour standards in other globalized sectors Co authored by international law practitioners and scholars with combined expertise in the public international law of the sea maritime law international labour law and more specifically direct involvement with the development of the MLC 2006 over nearly a decade The Maritime Labour Convention 2006 A Legal Primer to an Emerging International Regime discusses the MLC 2006 within the contexts of labour and maritime law It also includes an appendix with the full Convention text and notes Additional documents cited in the work are also available on the International Labour Organization's website **Maritime Work Law Fundamentals: Responsible Shipowners, Reliable Seafarers** Iliana Christodoulou-Varotsi, Dmitry A. Pentsov, 2007-10-31 The importance of international maritime labour law both as a component of international maritime law and in socio political and economic terms has been recognised by the IMO International Maritime Law Institute for a number of years Indeed the Institute has annually organised a course on maritime labour law with the participation of inter alia the

International Maritime Organization the International Labour Organization the International Transport Workers Federation and the German Shipowners Association It was therefore a great pleasure when the authors invited me to introduce their forthcoming monograph on Maritime Work Law Fundamentals Responsible Shipowners Reliable Seafarers As the title suggests a fundamental challenge of this branch of international maritime law is to achieve a balance between the interests of the two main stakeholders Institutionally the effort to achieve this balance dates back a number of decades with its genesis mainly found in the work of the International Labour Organization It has to be said that whilst this effort achieved great progress it has led to a haphazard plethora of legal instruments **Annual Report** Federation of Kenya Employers,1976
