Crises In World Politics Theory And Reality:

Crises in World Politics Michael Brecher,1993-01 Presenting an integrated theory of crisis at both system and state level this work focuses on four interrelated phases of crises onset escalation de escalation and impact Systematic knowledge is presented about how these phases unfold using the data of international crisis from 1918 to 1988 **Theory and Reality in World Politics** Carey B. Joynt,P.H. Corbett,1978-06-17 **Theory and Reality of International Politics** Hans Mouritzen,2019-05-20 First published in 1998 this volume deals with the explanation of international politics and foreign policy Levels of explanation and their interrelationships offer the book s structure Based on critiques of major IR approaches a bottom up instead of a systemic top down perspective Waltz is advocated but without falling prey to reductionism explaining international politics from domestic factors Explanation of state behaviour should primarily stress states salient environment but occasionally also their historical lessons from previous experience with this environment International organizations or other non state actors may be allowed an influence of their own in certain areas but the state remains in ultimate control **A Century of Crisis and Conflict in the International System** Michael Brecher,2017-07-25 This book is designed to present a fully developed theory of international crisis and conflict along with substantial evidence of these two closely related phenomena The book begins with a discussion of these topics at a theoretical level defining and elaborating on core concepts international crisis interstate conflict severity and impact This is followed by a discussion of the international system along with two significant illustrations the Berlin Blockade crisis 1948 and the India Pakistan crisis over Kashmir 1965 66 The book then presents a unified model of crisis focusing on the four phases of an international crisis which incorporate the four periods of foreign policy crises for individual states Findings from thirteen conflicts representing six regional clusters are then analyzed concluding with a set of hypotheses and evidence on conflict onset persistence and resolution **War** Paul Francis Diehl,2005 **Global Politics** Allen Gregory Sens,Peter John Stoett,2002 **AccessAsia** ,1997 *A Study of Crisis* Michael Brecher,Jonathan Wilkenfeld,2000-06-30 A comprehensive study of the causes and consequences of war in the twentieth century **Negotiating Political Conflicts** Frank R. Pfetsch,2007-05-10 Negotiations which generate solutions to conflicts without the use of violence are the only adequate means of conflict resolution in an interdependent globalized world Negotiating Political Conflicts analyzes comprehensively the foundations for understanding negotiations What is negotiation What are the most important concepts and terms How does negotiation relate to its object the conflict How does the process of negotiation develop What is the significance of cultural difference in international negotiations What characterizes a durable solution Empirical examples illustrate theoretical conceptions Academics and practitioners will find this book an invaluable companion to the theory and practice of negotiation *International Political Earthquakes* Michael Brecher,2008-08-25 A preeminent scholar examines the global causes and consequences of international conflict *Twentieth Century International Relations: The rise and fall of the Cold War*
