

California State University Annual Security Report Template Guidelines

The CSU Annual Security Report (ASR) template is intended to establish a consistent presentation of the report across the CSU system. Campuses are welcome to choose their style, pictures, campus colors and branding, fonts, and graphics. The template provides a framework for:

- The order of the ASR
- The headings
- Inclusion of Clery crime statistics
- Content that must be included such as policy statements and educational materials
- Resources to assist campus community members

The text underlined in any portion of the template may not be changed and must be included under its specific heading (underline may be removed). The underlined text reflects summary statements of existing systemwide executive orders and policies that are applicable for all CSU campuses.

Please keep in mind that the Clery policy statements must be a brief summary of the existing university policy. Although links to the referenced policies may be included, the actual content of the policies must be summarized in the ASR as well. If the policy statement requires a description of programs, the verbiage should include the type of program, the frequency of the program, to whom the program is offered, and the area or office providing the program. A simple list of programs is not acceptable. A chart with the required information is suitable to utilize if desired.

A notice of the ASR shall be provided to all current students and employees on or by September 15 with the following statement:

"Pursuant to the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the (current year) Annual Security Report (ASR) is now available for viewing at (exact URL address). The ASR contains the current security and safety-related policy statements, emergency preparedness and evacuation information, crime prevention and sexual assault prevention information, and drug and alcohol prevention programming. The ASR also contains statistics of Clery Act crimes for (name of campus) for (three years preceding the date of publication). A paper copy of the ASR is available upon request by contacting the (campus name) Clery Director at _____"

Campuses are advised that the ASR should not be combined with the Annual Fire Safety Report (AFSR). The AFSR shall be compiled by and published at the direction of the Housing Director and/or Director of Residential Life. It shall be published and posted prominently on the home page for residential life and/or student housing. A notice of the AFSR shall be provided to all

Gerston, 2023-12-11 In *Trumpism Bigotry and the Threat to American Democracy* Larry N Gerston examines the near lethal combination of American bigotry and the ability of Donald Trump to take advantage of this scourge to satisfy his own political objective The result is an individual who won election to the American presidency by adroitly pitting members of American society against one another while presenting himself as the only person in the position to save America from itself Having succeeded to the nation s most important political office Trump proceeded to use the position for his own benefit irrespective of laws norms and most importantly the Constitution So powerful was Trump that he and his minions came close to overturning the 2020 presidential election with the January 6 2021 insurrection against the nation s Capitol While Trump failed in his attempt to remain in office the threat to the well being of the United States remains real Learning to Lead Jennifer R. Nájera, 2024-09-06 In *Learning to Lead* Jennifer R N jera explores the intersections of education and activism among undocumented students at the University of California Riverside Taking an expansive view of education N jera shows how students experiences in college both in and out of the classroom can affect their activism and advocacy work Students learn from their families communities peers and student and political organizations In these different spaces they learn how to navigate community and college life as undocumented people Students are able to engage campus organizations where they can cultivate their leadership skills and importantly learn that they are not alone These students embody and mobilize their education through both large and small political actions such as protests workshops for financial aid applications and Know Your Rights events As students create community with each other they come to understand that their individual experiences of illegality are part of a larger structure of legal violence This type of education empowers students to make their way to and through college change their communities and ultimately assert their humanity **Congressional Record Index** , 1986 Includes history of bills and resolutions **Clery Act** , 2017
