The Responsible Company Ebook Yvon Chouinard:

The Responsible Company Yvon Chouinard, Vincent Stanley, 2013-10-06 The Responsible Company by Yvon Chouinard founder and owner of Patagonia and Vincent Stanley co editor of its Footprint Chronicles draw on their 40 years experience at Patagonia and knowledge of current efforts by other companies to articulate the elements of responsible business for our time Patagonia named by Fortune in 2007 as the coolest company on the planet has earned a reputation as much for its ground breaking environmental and social practices as for the quality of its clothes In this exceptionally frank account Chouinard and Stanley recount how the company and its culture gained the confidence by step and misstep to make its work progressively more responsible and to ultimately share its discoveries with companies as large as Wal Mart or as small as the corner bakery In plain compelling prose the authors describe the current impact of manufacturing and commerce on the planet's natural systems and human communities and how that impact now forces business to change its ways The Responsible Company shows companies how to reduce the harm they cause improve the quality of their business and provide the kind of meaningful work everyone seeks It concludes with specific practical steps every business can undertake as well as advice on what to do in what order This is the first book to show companies how to thread their way through economic sea change and slow the drift toward ecological bankruptcy Its advice is simple but powerful reduce your environmental footprint and its skyrocketing cost make legitimate products that last reclaim deep knowledge of your business and its supply chain to make the most of opportunities in the years to come and earn the trust you'll need by treating your workers customers and communities with respect

Who Cares Wins PDF eBook David Jones, 2013-03-06 Written by the CEO of Havas Worldwide this book shows you how to use social media to engage with customers and grow your business This isn't a book about social media and the inexorable rise of Facebook and Twitter Nor is it a book about CSR or business doing good Instead it's actually the first book that recognises that far from being two separate subjects they are intrinsically interlinked And that the most successful leaders and businesses in the future will be those who are the most socially responsible

Books That Change Lives: A Sampling from Patagonia Books Yvon Chouinard, Vincent Stanley, Douglas Chadwick, Gerry Lopez, 2014-01-18 A sampling of titles available from Patagonia Books Patagonia Books is intended as a way to advance our love of books as well as nature and a reflective life We publish a select number of titles on wilderness wildlife and outdoor sports that inspire and restore connection to the natural world We also present books that raise awareness about not only the environmental challenges our world faces but suggest ways that we can work together to slow the disintegration of our planet This includes immediate activities such as strategies to reduce our carbon footprint as well as more in depth examinations of the meanings of affluence consumerism and capitalism in the 21st Century

[Some Stories](#) Yvon Chouinard, 2019 Through a compilation of his many articles on sports from falconry to fishing and climbing to surfing along with musings on the purpose of business and the importance of environmental activism the author reveals his

extraordinary and varied life experiences *Saving the World at Work* Tim Sanders, 2008-09-16 Even the actions of a single person can help to change the world How Through simple acts of leadership and compassion Open up this book and discover the true stories of people whose actions have caused a chain reaction at work and in their communities Among them A manager who gives an employee some supportive praise and as a result literally saves his life page 231 A small group of bank tellers who spearhead a movement to raise millions of dollars for breast cancer making it the biggest fundraiser in North America and enhancing their company's reputation page 213 A sales manager who gets a copy of a groundbreaking book that leads to a transformation of the company's operations As a result hundreds of millions of pounds of carpet waste avoid the landfill and the company sparks a revolution in its industry page 12 A responsibility revolution is shaking up corporate America In this provocative and insightful book bestselling author Tim Sanders reveals why companies must go beyond making a profit and start making a difference Every one of us regardless of title or position can inspire our companies to change the way they do business helping them to become a positive force for enriching people communities and the environment When this happens not only do we help save the world we help save our companies from becoming irrelevant We also become part of what Sanders calls the Responsibility Revolution Companies that don't participate in this revolution risk becoming obsolete Today customers employees and investors are demanding that companies focus on their social responsibilities not just their bottom lines Sixty five percent of American consumers say they would change to brands associated with a good cause if price and quality were equal 66 percent of recent college graduates will not work for companies with poor social values And more than sixty million people are willing to pay a premium for socially and environmentally responsible products In *SAVING THE WORLD AT WORK* Tim Sanders offers concrete suggestions on how all of us can help our companies join the Responsibility Revolution Drawing on extensive interviews with hundreds of employees and CEOs and illuminated by countless stories of people who are making a difference in the workplace and in the world Sanders offers practical advice every individual and company can use to make the world a better place now and in the future
