

Chapter 9 Hypothesis Testing

- Suppose that the following observation were drawn from a normal population whose standard deviation is 10. Test with $\alpha = 0.10$ (significance level) to determine whether there is enough evidence to conclude that the population mean differs from 25.

21 37 33 47 28 16 29 37 41 20

- A machine that produces ball bearings is set so that the average diameter is 0.50 centimeters. A sample of 10 ball bearings was measured with the results shown below. Assuming that the population standard deviation is 0.05 centimeters, can we conclude at the 5% significance level that the mean diameter is less than 0.50 centimeters?

0.48 0.50 0.49 0.52 0.53 0.48 0.49 0.47 0.46 0.51

- One of the critical factors in choosing a location for a new men's clothing store is the mean clothing expenditure per household in the surrounding neighborhood. A survey of 20 households reveals that the mean and the standard deviation of annual expenditure on clothes are \$387 and \$60, respectively. Can we conclude at the 5% significance level that the population mean annual expenditure is less than \$400?
- Experience indicates that a monthly telephone bill follows a normal distribution with a mean of RM 50. After embarking on a vigorous marketing campaign that aimed at increasing the usage of phone, the marketing director of a telephone company took a random sample of 25 household bills. Their monthly usage (in RM) is listed below.

49.50	48.30	51.50	52.20	50.00
48.90	55.70	55.70	53.90	52.90
48.10	48.20	50.00	61.20	54.40
50.10	50.50	47.90	43.20	40.90
49.90	50.90	47.80	49.40	43.90

- Can the marketing director infer that at the 5% significance level, the campaign was successful? Include the following in your workings: summary statistics, null and alternative hypotheses, test statistics, level of significance, decision rule, calculated test statistics, decision (reject or do not reject the null hypothesis), and conclusion.
- Using the results obtained from (a), what recommendation should you propose to the CEO of the company?

The Practice Of Statistics Chapter 9 Form B Answers

Hussin A.Rothana

The Practice Of Statistics Chapter 9 Form B Answers:

If you ally need such a referred **The Practice Of Statistics Chapter 9 Form B Answers** book that will have enough money you worth, acquire the definitely best seller from us currently from several preferred authors. If you desire to comical books, lots of novels, tale, jokes, and more fictions collections are moreover launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections The Practice Of Statistics Chapter 9 Form B Answers that we will entirely offer. It is not just about the costs. Its virtually what you habit currently.
