including vigilantism lynch mobs people's courts and death squads all seekers of rough justice thrive on the deliberate blurring of lines between law enforcers and troublemakers Digital networks have provided a profitable arena for vigilantes who use social media to build a following and publicize their work as they debase the bodies of the accused for purposes of edification and entertainment It is this unabashed pride to punish and the new punitive celebrations that actualize publicize and commercialize it that this book brings into focus Recounted in lively prose Proud to Punish is both a global map of rough justice today and an insight into the deeper nature of punishment as a social and political phenomenon *Chequered Past, Uncertain Future* Tahir Kamran, 2024-08-19 Spanning thousands of years a wide ranging history of Pakistan from the Bronze Age to partition and beyond This book takes us on a sweeping journey through the ebbs and flows of Pakistan's history from the ancient Indus Valley Civilization to contemporary times Chequered Past Uncertain Future uncovers influences from Turkey Persia Arabia and Britain that have shaped Pakistan as well as showcases the region's diverse and rich tapestry of peoples and its pluralistic multicultural society The book also describes the post 1947 shift following the partition of India and the establishment of the Islamic Republic of Pakistan as the country became more religiously conservative and autocratic intensifying sectarian and ethnic divisions For most of their history the people of Pakistan have found themselves under the control of military dictators who suppress civil liberties and freedom of speech and action a trend that persists today The Fix Omar Shahid Hamid, 2019-06-27 Will the profusely talented Sanam Khan's rise to the pinnacle of world cricket be interrupted by the bookies and the powerful match fixing mafia Ever since she was fifteen years old the talented Sanam Khan has only had one dream to win a world cup for her country Now thanks to her own efforts as the captain her team of talented misfits in the Pakistan Women's cricket team stand on the verge of realizing that dream But fate intervenes and the team's success attracts the great corruptors of the sport the match fixing syndicates that captured the men's team two decades ago Will Sanam and her girls succeed where the men failed or will history repeat itself The Indian National Bibliography B.
