**Hybridity and Identity Crisis in "The Reluctant Fundamentalist" by Mohsin Hamid** Rabbia Rani, 2021-03-19 Wissenschaftlicher Aufsatz aus dem Jahr 2013 im Fachbereich Soziologie Individuum Gruppe Gesellschaft Sprache Deutsch Abstract The focus of this research paper is to stimulate as well as evoke the study of theoretical underpinning of hybridity and identity crisis in The Reluctant Fundamentalist by Mohsin Hamid In addition the research also draws upon Homi K Bhabha's concept of hybridity to trace their connection The findings of this research throw light upon the interwoven pattern of hybridity and identity crisis Thus novelists exposed and expressed the conditions of identity Crises that emerged in postcolonial period According to Oxford English dictionary identity is defined as The identification of an individual or a group or a nation in postcolonial terms as one notice easily is linked to the other that means they recognize themselves with the existence of the other Otherness is a feature to recognize identity in postcolonial era in which also means it is twofold both identity and difference so that every other every different than and excluded by is dialectically created and includes the values and meaning of the colonizing culture even as it rejects its power to define The Reluctant Fundamentalist Mohsin Hamid, 2012 A young Pakistani Changez meets a US American in Lahore and tells him about his old successful life in the USA until 9 11 which changed everything Suddenly he had to choose sides

Quelle Buchdeckel verso *The Reluctant Fundamentalist*, 2013 When an American academic in Pakistan is kidnapped by anti American radicals the CIA thinks popular young Pakistani professor Changez is involved But as Changez tells his story about his life in the US to an American foreign correspondent the truth becomes harder to pin down **Engaging Terror** Marianne Vardalos, 2009 Engaging Terror A Critical and Interdisciplinary Approach is a collection of select extended papers drawn from The Human Condition Series THCS conference on Terror that took place in May 2008 The international scope of the conference drew participants from twenty three countries including Brazil Columbia Cuba France Israel Lebanon Lithuania New Zealand Nigeria Pakistan the Philippines Scotland Singapore South Africa Turkey and the United Kingdom The thirty five essays presented here are a representative sample of the interdisciplinary discussion which sought to analyze popular concepts like terrorism and terrorist as social political and psychosocial phenomena Engaging Terror seeks to reveal the diverse forms of terror that persist in contemporary societies For instance cultural forms such as the fine arts film literature mass media religion and market economy continue to define and limit rationality and freedom through institutionalized forms of terror In this way terror shapes our experiences not only through the politics of nation building and international relations but also through the social and ideological production of fear in everyday life Topics covered in this volume include the representation and production of terror from a multiplicity of sites ranging from mental health practices and organized religion to news coverage and musical scores This book will appeal to both scholars and general readers interested in how seemingly benign forms of terror shape and maintain the contemporary human condition Reaching beyond mainstream studies on terror as simply an international political phenomenon this interdisciplinary collection of work multiplies the fields of critical research to broaden the scope of analysis and fundamentally challenge the state of modernity

**Quicklet on Mohsin Hamid's The Reluctant Fundamentalist** Elizabeth Shestakova, 2012-07-30 ABOUT THE BOOK I wonder now sir whether I believed at all in the firmness of the foundations of the new life I was attempting to construct for myself in New York Americans remember where they were on September 11 2001 a day that has become a permanent fixture in the calendar As retaliation for the attack the US launched a war in Afghanistan called Operation Enduring Freedom with the goal of dismantling the Taliban Currently the Afghanistan war has become America's longest war even longer than the war in Vietnam Given the duration of the war and how it began it is surprising to note that many people in Afghanistan don't know why the war started Considering that 42% of the population is under 14 and that 72% is illiterate it's not surprising that this event doesn't register In addition the scarcity of electricity also explains ignorance of the event American foreigners call September 11th As a result most people from Afghanistan don't understand why the US invaded their country causing more than 12 000 civilian deaths since the war started The disparity of the two worldviews continues to contribute to the tensions between the two countries Similarly the average American knows very little about the Afghani people and the politics of this area In an Angus Reid Public Opinion Poll half of American respondents said they don't understand what the

war in Afghanistan is about One of the reasons for this might be because the U S media doesn t focus on this war as much as on the Kardashians This tension and lack of understanding creates a perfect opening for The Reluctant Fundamentalist by Mohsin Hamad to educate Americans about the other side The Reluctant Fundamentalist is about a Pakistani living in New York who reevaluates his successful American life after the September 11 attacks The book s main advantage is that it is so topical Given the heavy involvement of the U S in the Middle East as well as neighbouring Afghanistan and Pakistan it seems no region is more important to American welfare EXCERPT FROM THE BOOK Students like me were given visas and scholarships complete financial aid mind you and invited into the ranks of the meritocracy In return we were expected to contribute our talents to your society the society we were joining And for the most part we were happy to do so I certainly was at least at first pg 4 It is worth describing the author s background which can be found on his website because it bears many similarities to the main character of the novel Changez From the ages of 9 to 18 the author lived in Lahore Pakistan Hamid studied at Princeton University and graduated summa cum laude He then went Harvard Law School Upon graduation he got a job at the elite McKinsey and Company and used his free time to complete his first novel This novel Moth Smoke took seven years to complete but became a bestseller in India and Pakistan The Reluctant Fundamentalist is his second book and also took seven years to complete On BBC Radio Hamid explains that the reason it took him so long to write both books is that he is figuring them out as he writes them Quicklet on Mohsin Hamid s The Reluctant Fundamentalist The Reluctant Fundamentalist is the story of Changez who comes from Pakistan to study at Princeton University At Princeton he excels and is rewarded with a job at the prestigious valuation firm Ultrawood Samson He uses his sign on bonus to pay for a trip to Greece with his classmates In Greece he falls in love with an all American girl named Erica He is attracted to her beauty and she is attracted to his old fashioned manners As he gets to know her Changez finds out that her ex boyfriend Chris died of lung cancer a year earlier Reluctant Fundamentalist ,2013 Set in the years following 9 11 this follows a young Pakistani man Changez chasing corporate success on Wall Street Living in the suspicious terrorism altered world he ultimately finds himself embroiled in a conflict between this American Dream a hostage crisis and the enduring call of his family s homeland Container Based on the novel by Mohsin Hamid Originally release as a motion picture in 2012 *Religious and Racial Profiling in Mohsin Hamid's Novel "The Reluctant Fundamentalist"* Muhammad Rizwan,2016-01-20 Research Paper postgraduate from the year 2016 in the subject American Studies Literature language English abstract The focus of this paper is the plight the Muslims of the world especially those living in America face due to religious discriminations This discrimination is the result of the religious profiling of the media and the institutions which are working to spread the ideology of the West to the rest of the world Everything is under their control so they manipulate the facts Many Asian writers have tried to portray the true picture of the scene but it remains a great crisis need to be resolved This paper will examine the core issues resulting from the religious profiling with the references from the novel The Reluctant
