Love and Loss A Journey through Fear to Peace - Volume Five Betty Hibod,2025-01-08 What if the teachings of scripture weren t just stories or symbols but lived realities *Love and Loss A Journey through Fear to Peace* offers a rare window into that experience Unlike traditional biographies or historical accounts this spiritual memoir invites readers deep into the invisible world of awakening Betty Hibod s journal based narrative is intensely personal documenting the lived embodiment of mystical principles across time grief and divine revelation From devastating loss to divine union from emotional disintegration to spiritual clarity Betty records her journey not as metaphor but as transformation made flesh More than a spiritual memoir this book is a detailed sensual and unfiltered chronicle of mystical awakening It explores tantric love divine feminine spirituality and non dualism through a lens that is both deeply human and profoundly sacred Rather than offering abstract theories it shows how the myths of sacred texts take shape in daily life It answers the questions rarely spoken aloud What does enlightenment feel like in real time How does one survive and evolve through spiritual paradox grief and loss and the collapse of personal identity Infused with mystical awakening philosophical reflection and raw emotional truth this is not a book about religion It is a book of lived revelation For readers seeking a deeper understanding of consciousness sacred sexuality or the journey of awakening this memoir is a path inward Step beyond the stories Walk into the soul Buy now and begin the journey *Love and Loss: A Journey through Fear to Peace - Volume Three* Betty Hibod,2025-01-20 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person s life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books

have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone s visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions *Love and Loss* Betty
