On the Writing of New Testament Commentaries Stanley E. Porter, Eckhard J. Schnabel, 2012-09-28 The essays in On the Writing of New Testament

Commentaries discuss historical hermeneutical methodological literary and theological questions that shape the writing of commentaries on the books of the New Testament While these essays honor Grant R Osborne they also represent the first sustained effort to systematically address commentary writing in the field of New Testament studies **A Guide to Biblical Commentaries and Reference Works** John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years A Guide to Writing Academic Essays in Religious Studies Scott G. Brown,2008-05-13 Scott Brown explains to undergraduates what they need to know about writing research essays pertaining to religion Topics include theoretical and methodological assumptions how to locate appropriate scholarly literature types of research essays developing a thesis the essentials of essay form and content and much more **Choice** ,2008 *Elenchus of Biblica* ,2004 **American Book Publishing Record** ,2003 **2009** ,2010-06-15 Reviews are an important aspect of scholarly discussion because they help filter out which works are relevant in the yearly flood of publications and are thus influential in determining how a work is received The IBR published again since 1971 as an interdisciplinary international bibliography of reviews it is a unique source of bibliographical information The database contains entries on over 1 2 million book reviews of literature dealing primarily with the humanities and social sciences published in 6 820 mainly European scholarly journals Reviews of more than 560 000 scholarly works are listed The database increases every year by 60 000 entries Every entry contains the following information On the work reviewed author title On the review reviewer periodical year edition page ISSN language subject area in German English Italian Publisher address of journal **The Catholic Periodical and Literature Index** ,2004 **Bibliographic Index** ,2010 **The Christian Librarian** ,1995 **Reference Works for Theological Research** Robert J. Kepple,John R. Muether,1992 A classified annotated bibliographical guide to over 700 works useful for theological research Designed to serve both as a textbook for the study of such tools and as a tool for the rapid location of appropriate reference works when doing theological research This book contains substantial additions changes and revisions from the second edition published in 1981 **An Annotated Guide to Biblical Resources for Ministry** David R. Bauer,2011-04-01 David Bauer s Annotated Guide to Biblical Resources for Ministry is without doubt the most complete and up to date practical bibliographic compendium on the Bible now available All interpreters of Scripture pastors and teachers will find the information provided here useful and accessible Especially valuable are the annotations of selected books which offer careful and informed judgments about the usefulness of

the works and provide succinct but informative and accurate descriptions and evaluations of each book While Bauer is a New Testament teacher his choices and assessments in the Old Testament bibliography are as good as any Old Testament scholar could produce I do not know of any comparable work for pastors and teachers Patrick D Miller Charles T Haley Professor of Old Testament Theology Princeton Theological Seminary This is one of those rare bibliographic guides that every student of religion seminarian and minister will want to have on his or her bookshelf The focus of this guide is on biblical studies It contains entries on 2 200 books written by 1 300 scholars Annotations describe and evaluate books that are highly recommended Virtually every topic in biblical studies is noted commentaries on each book of the Bible biblical histories theologies and ethics books on the canon archaeology early Judaism and interpretive methods and technical books such as grammars concordances Bible dictionaries and atlases The great strength of this guide is not only that it provides the reader with a wealth of information but also that the format it follows is eminently reader friendly The Guide is invaluable for assisting the student seminarian or minister in building a personal library I highly recommend it Jack Dean Kingsbury Professor Emeritus of Biblical Theology Union Theological Seminary in Virginia This book provides pastors and church workers with a map for navigating the maze of biblical studies It offers an extensive list of resources with helpful comments and recommendations that help readers discover which books will be of most interest to them The consistent focus is on volumes that are attentive to faith concerns and thus most promising for use within faith communities A valuable tool for any minister or church worker committed to taking the Bible seriously Mark Allan Powell Professor of New Testament Trinity Lutheran Seminary
