We Have Received A Complaint (US Edition) Matt Malone, 2024-04-30 We used to go to court to enforce our rights Now we do it at the office Workplace investigations are everywhere From complaints at Fox BBC TVO and The Ellen DeGeneres Show to sports teams like the Seattle Mariners the Boston Celtics and the Dallas Mavericks as well as Fortune 500 companies governments universities and schools seemingly every week brings a new announcement of another workplace under scrutiny As conflicts increase in a new era of behavioral expectations offices are being transformed into forums of informal justice Investigators are summoned to adjudicate and peers become witnesses in poorly understood often opaque proceedings The shift is fraught for all involved complainants often feel the investigations fail to right wrongs respondents regularly decry them as exercises in shunning employers wonder how they fell into this role

Image Control Patrick Nathan, 2022-08-09 Susan Sontag meets Hanif Abdurraqib in this fascinating exploration of the unexpected connections between how we consume images and the insidious nature of Fascism Images come at us quickly often without context A photograph of Syrian children suffering in the wake of a chemical attack segues into a stranger's pristine Instagram selfie Before we can react to either a new meme induces a laugh and a share While such constant give and take might seem innocent even entertaining this barrage of content numbs our ability to examine critically how the world broken down into images affects us Images without context isolate us turning everything we experience into mere transactions It is exactly this alienation that leaves us vulnerable to fascism a reactionary politics that is destroying not only our lives and our nations but also the planet's very ability to sustain human civilization Who gets to control the media we consume Can we intervene or at least mitigate the influence of constant content Mixing personal anecdotes with historical and political criticism *Image Control* explores art social media photography and other visual mediums to understand how our culture and our actions are manipulated all the while building toward the idea that if fascism emerges as aesthetics then so too can anti fascism Learning how to ethically engage with the world around us is the first line of defense we have against the forces threatening to tear that world apart

El conflicto no es abuso Sarah Schulman, 2023-03-01 En *El conflicto no es abuso* la autora y activista estadounidense Sarah Schulman aborda una de las problemáticas más relevantes de las discusiones y debates de nuestra actualidad sudamericana la victimización como estrategia de enunciación habilitante de una respuesta devastadora Y su contraparte la generación a partir de todo lo que no se identifica como propio de extraños peligrosos como modo de gobernanza a escala global Autoconstruirse como víctima potencial de un otro peligroso redundas

en el afianzamiento de ideologías supremacistas en la exageración del daño y en el no reconocimiento de la responsabilidad colectiva que nos cabe en la resolución de los conflictos para que estos no escalen desproporcionadamente y habiliten la erradicación de quien se percibe se construye como una amenaza Este mecanismo se alado por Schulman tempranamente en esta obra se encuentra activo tanto a nivel interpersonal como intercomunitario y hasta geopolítico Pieza clave del pensamiento antipunitivista del activismo anticarcelario pero también de las conversaciones dentro de los movimientos feministas y de las disidencias sexuales comprometido con el anticolonialismo El conflicto no es abuso reflexiona sobre la violencia la justicia y los deseos de reparación en un mundo obsesionado con la grieta y la imposibilidad de intercambio con quien se construye como un otro al acecho
