M. Thomas, 2020-03-06 These pages contain a selection of what I refer to as Holy Spirit bombs That is they were penetrating downloads from the Lord which He dropped in my spirit 2009 2019 and had the effect of drawing me ever closer into His Kingdom perspective of life But one can't really use the word bomb in the title of a book without raising some eyebrows Not that I'm against raising eyebrows mind you It's just that when I do I hope it won't be simply because of a book title So I've substituted downloads for bombs Don't tell anyone Other cool stuff is a smorgasbord of inspirational random and winsome thoughts Together I hope these inspire you to hear Holy Spirit giving you your own downloads Jeremiah 33:3-11 Corinthians 2:9-12 and to have a really great day Kill the Noise Ryan Ries, 2021-05-11 It doesn't matter who you are or what you've done God wants a relationship with you Social media television video games drugs pornography there is so much noise distracting us from what is important in life that it is nearly impossible to hear God's truth that He will take you as you are When we finally kill the noise of the world we'll discover in the silence a loving Savior who is waiting to forgive us and offer us a purpose for our lives Ryan Ries is living proof of this truth Growing up in Los Angeles as the son of a mega church pastor but surrounded by the music skate and snowboard industries Ryan felt a tug of war between the church and the world It was in the skate and music culture that he found his passion and his identity As a result he walked away from God and dove head first into the world losing his way in alcohol drugs and sex which led to anxiety brokenness and emptiness Kill the Noise tells Ryan's story about finding God in the messiness of life and lets you know how you too can find peace joy and purpose in Jesus Christ This book will be a tool to help you kill the noise of the world so you can hear God's voice telling you that He loves you and that you belong to Him **Love the Way You Spy** Lexi Blake, 2023-09-19 Tasha Taggart isn't a spy That's her sister's job Tasha's support role is all about keeping them alive playing referee when they fight amongst themselves and soothing the toughest boss in the world Working for the CIA isn't as glamorous as she imagined and she's more than a little lonely So when she meets a charming man in a bar the night before they start their latest op she decides to give in to temptation The night was perfect until she discovers she's just slept with the target of their new investigation Her sisters will never let her hear the end of this Even worse she has to explain the situation to her overprotective father who also happens to be their boss Dare Nash knew exactly how his week in Sydney was going to go attending boring conferences to represent his family's business interests and eating hotel food alone Until he falls under the spell of a stunning and mysterious American woman Something in Tasha's eyes raises his body temperature every time she looks at him She's

captivating and he's committed to spending every minute he can with her on this trip even if her two friends seem awfully intense He doesn't trust easily but it's not long before he can imagine spending the rest of his life with her When Dare discovers Tash isn't who she seems the dream turns into a nightmare She isn't the only one who deceived him and now he's in the crosshairs of adversaries way out of his league He can't trust her but it might take Tasha and her family to save his life and uncover the truth
