Howard Hughes Donald L. Barlett, James B. Steele, 2011-04-11 The life that inspired the major motion picture The Aviator starring Leonardo DiCaprio and directed by Martin Scorsese Howard Hughes has always fascinated the public with his mixture of secrecy dashing lifestyle and reclusiveness This is the book that breaks through the image to get at the man Originally published under the title *Empire The Life Legend and Madness of Howard Hughes* *Empire: the Life, Legend, and Madness of Howard Hughes* Donald L. Barlett, Howard Hughes James B. Steele, Donald L. Barlett, 2012-11 Whether he was courting public attention in the roles of aviator playboy and entrepreneur or shunning it as a recluse Howard Hughes commanded headlines throughout his career Yet the image of his life his power and his business empire that caught the public imagination was almost completely false Hughes s fortune actually came from his father s tool company and later from the Hughes Aircraft Company yet these flourished simply because Hughes was prevented from interfering in their workings In fact Hughes was a disastrous businessman no company under his control ever built a successful aircraft he nearly destroyed TWA and completely destroyed a major film studio and even his gambling empire in Las Vegas was crippled by corruption His personal life was even more disastrous he feared rightly that he was mad and spent most of his fortune and the last 18 years of his life trying to prevent anyone finding out He spent his time naked eating little addicted to drugs and tranquillisers a physical wreck and died surrounded by men who nurtured his madness for their own ends **Empire** Donald L. Barlett, James B. Frehner,Chuck Waldron,2004 Verl Frehner s book The Mysterious Howard Hughes Revealed is a revealing new book on a somewhat seasoned subject It is an extensive and comprehensive work about the life of Howard Robert Hughes It is biographical in nature and is thought to contain the most complete in depth far reaching and extensive first hand personal information available about him As such it promises to provide the reader with numerous additional insights into this man Under normal circumstances this book about Howard Hughes would normally have been written years ago Despite this the mystery and intrigue attributed to him has only partially mellowed with the passing of time The wall of reclusiveness that he created to isolate himself from the media produced a shortage of information about him that still begs to be satisfied The content of this book accomplishes what most people want to know about him what he thought what he said what he felt what he did and what he was about in his everyday business and private time activities Much of the basic information in The Mysterious Howard Hughes Revealed comes from a confidential employee to Howard Hughes named Chuck Waldron who shares in a very respectful and forthright manner some of the very human characteristics that Howard Hughes possessed It is through this confidential employee and many other sources of information that the reader is allowed to see the strengths weaknesses and even the oddities of Howard Hughes By design the thrust of this story begins on January 1 1970 and tells of the last seven years three months and four days in his life until his death on April 5 1976 Howard Hughes most reclusive years Against this frameword there is much more information included and inserted in the numerous flashbacks about his personal life found in records recordings stories and historical events that parallel his entire life and adds significantly to the Howard Hughes story Because of his reclusiveness it

was difficult for people to really get to know him As a result of this book those who read it will come away with the feeling that they know Howard Hughes **Howard Hughes His Achievements and Legacy** Robert O. Maguglin,1988-01-01
