Portraits Robert Nieuwenhuys, 1982 A fictionalized memoir of family life in former colonial Dutch East Indies Faded Portraits is the story of the once powerful DePaulys and especially of Aunt Sophie the matriarch whose efforts to preserve the family heritage the purity of the Dutch bloodline and culture prove inevitably tragic The forms to which aunt Sophie clings and which she seeks to impose on her family represent an arrogant blindness to the personal needs of others and to the cruelties of the colonial system and underscore the struggles of displaced people who must accept the eclipse of their way of life The book is reminiscent of the literature of the American South of the novels of William Faulkner Flannery O Connor John Crowe Ransom Robert Penn Warren That too was colonial literature wistfully determined to record an era that was passing

Embodying Argentina Nancy Hanway, 2003-06-03 In 2001 Argentina faced its most serious economic crisis in years At this turbulent time in Argentina s history the question What is argentinidad is more important than ever The symbols of Argentina s national culture that are now revered came about during another time of economic and political unrest in the second half of the nineteenth century and were captured by writers who understood authorship as a political matter This book examines Argentine literary narratives from 1850 to 1880 including *Amalia* 1851 by Jose Marmol *Recuerdos de provincia* 1850 by Domingo Faustino Sarmiento *Una excursion a los indios ranqueles* 1870 by Lucio V Mansilla and Martin Fierro 1872 1879 by Jose Hernandez and the changing relationship between ideas of citizenship the body and national space The author argues that in each of the literary narratives she discusses the ideas embodied by the emblematic citizen are articulated clearly in scenes in which the relationship between the gendered body and concepts of nation space the spaces lands or territories where struggles over national identity are represented comes into play The work of Rosa Guerra and Eduarda Mansilla de Garcia who do not have canonical status but were widely read in their time and dealt with the colonial era myth of the first white women held captive by native Argentines is also explored London Theatre Record ,1991
