Normal Instructor and Teachers World ,1928

**Historical Dictionary of Women's Education in the United States**

Linda Eisenmann,1998-07-17 The history of women s education in the United States presents a continuous effort to move from the periphery to the mainstream and this book examines both formal and informal opportunities for girls and women Through an introductory essay and nearly 250 alphabetically arranged entries this reference book examines institutions persons ideas events and movements in the history of women s education in the United States The volume spans the colonial era to the present exploring settings from formal institutions such as schools and colleges to informal associations such as suffrage groups and reform organizations where women gained skills and used knowledge A full picture of women s educational history presents their work in mainstream institutions sex segregated schools and informal organizations that served as alternative educational settings Educational history varies greatly for women of different races classes and ethnicities The experience of some groups has been well documented Thus entries on the Seven Sisters women s colleges and the reform organizations of the Progressive Era convey wide historical detail Other women have been studied only recently Thus entries on African American school founders or women teachers present considerable new information that scholars interpret against a wider context Finally some women s history has yet to be adequately explored Hispanic American women and Catholic teaching sisters are discussed in entries that highlight historical questions still remaining Each entry is written by an expert contributor and concludes with a brief bibliography The volume closes with a timeline of women s educational history and a list of important general works for further reading Occupational Outlook Quarterly ,2008
