us in our societies are once again able to step out of the confinement imposed by the pandemic to breath freely again  
Another interpretation hand in hand with the snappy front cover image might refer to Andy Warhol s iconic pop art  
consumerism or simply the tastiness of the contents the tin cans hold a little like the insights in this magazine if I dare say  
And lastly the shades of green to the cans give the message that our consuming society might well contain a new and more  
responsible sustainable taste to it In any case we hope you download this Global Voice 21 issue open it up and consume its
