**Freedom Inc.: Gendered Capitalism in New Indian Literature and Culture** Mukti Lakhi Mangharam, 2023-06-15 While globalization is often credited with the eradication of traditional constraints tied to gender and caste in reality the opening up of the Indian economy in the 1990s has led to a decline in freedom for many female Dalit and lower class Indians This book explores the contraction of what it means to be free in post liberalization India examining how global capitalism has exacerbated existing inequalities based on traditional femininities and masculinities while also creating new hierarchies Freedom Inc argues that post 1990s literature and culture frequently represents and reinforces the equation of free market capitalism with individual freedom within the new idea of India However many texts often also challenge this logic by pointing to more expansive horizons of autonomy for the gendered self Through readings of texts as diverse as Dalit women s life writing pop fiction realist novels self help regional film and Netflix TV shows Mangharam investigates how notions like free trade entrepreneurship and self help are experienced embodied and challenged by disadvantaged peoples and by women differently than men In the process Freedom Inc explores how different literary forms illuminate alternative and buried pathways to fuller freedoms

**In Search of a Feminist Writer** Dr. Rohidas Nitonde, 2014-07-16 In this scholarly book Dr Rohidas Nitonde examines Manju Kapur s novels with a feminist perspective The study offers an in depth analysis of all the five novels by Kapur It is for the first time that all her works are illustrated with a single perspective The focus of argument leads to conclude on Kapur s vision of Indian womanhood The book explains Kapur s indubitable ability to explore the psyche of the present day urban educated middle class Indian woman who is trapped in the midway between tradition and modernity It is an attempt to study Kapur s women protagonists as portrayed by her in her novels with a view to understand and appreciate their trials and tribulations under the impact of the conflicting influence of tradition and modernity and to critically analyze their response to the emerging situation in life so as to fit themselves in the contemporary society It also probes deeply into the novelist s conviction of what would serve as the ideal panacea for the different kinds of challenges faced by her female characters It as well explores both the daring and desires of the Indian women in the fictional works of

Kapur The study is divided into seven chapters The first chapter is introductory in nature The subsequent five chapters deal with the five women protagonists Virmati Astha Nisha Nina and Ishita who finding themselves trapped in the roles assigned to them by the society attempt to assert their individuality Sensitive to the changing times and situations they revolt against the traditions in their search for freedom The last chapter concludes the study by bringing out the general statement about Kapur's female protagonists Its Bibliography and Webliography sections are exhaustive This has turned the authoritative work into an indispensable resource for academicians and research scholars It is an invaluable reference on Manju Kapur
