David Pawson

David Pawson :

Not as bad as the truth David Pawson, 2022-05-20 David Pawson is one of the Church's most highly regarded leaders and provocative teachers of the last thirty years. As both pastor and preacher, he has developed a reputation for prophetic biblical insight, clarity of expression, and uncompromising but loving challenge to Christians' hearts and minds. Describing himself as an unorthodox evangelical, he has remained faithful to his own vow to be honest with God's Word as revealed in the Bible, no matter what the cost or consequence. This has led on some occasions to clashes with those who have held opposing interpretations of scripture. *Not as Bad as the Truth* is David's typically honest, fresh, and lucid account of his life and teaching. It recalls the influences and formative moments of his childhood upbringing and early ministry and concludes with a portrait of the less familiar man behind the teaching. David's travels, hobbies, and interests, and the joys and challenges of family life. But perhaps this book's greatest legacy will be its summaries of the author's most urgent and significant theology and his fascinating account of the styles and techniques of preaching. Includes forewords by Sir Cliff Richard and Jennifer Rees Larcombe.

Tributes by Friends of David Pawson David Pawson, 2020-11-22 David Pawson was widely regarded as one of the finest Bible teachers of our generation. This is a collection of tributes from around the world of David's friends. It contains personal stories of their friendships with David, as well as how David's teaching ministry had impacted them and others in the churches in their countries. In these tributes, we see different aspects of David that are not as well known but that have endeared him to his friends. What they say about David Pawson. His life and ministry were well lived and stand as an outstanding example in our day when such things are rare. Along with thousands of others, I thank the Lord for having known David and for the seeds of biblical truth he sowed into my life. Peter Tsukahira. A gentle and generous spiritual giant. Dr Daniel Ho. I consider him to be one of the finest teachers of the Word of God in our generation. Pastor Yang Tuck Yoong. We celebrate his Bible teaching, and many OM leaders and others listened way back when they were on tapes that went around the world. The greatest thing I celebrate is that he persevered through many difficulties and challenges. ONLY heaven will tell the story. George Verwer. He avoids religious and theological jargon and understates his sharp intellect and scholarship; he is only intent on communicating biblical truth and glorifying Christ, not himself. His teaching style is gentle yet uncompromising. You are welcome to challenge him, but make sure you have studied all the scripture on the subject before you do. Justice Dr Philip Pillai. Whether the angels in heaven will be ready for such a man, I don't know. I can't imagine they would have met too many people as passionate about truth as David, nor as gifted in communicating it. Dr Ian Stackhouse.

A Commentary on COLOSSIANS David Pawson, 2020-06-30 The author writes, "I am willing to unite with anyone who will preach the gospel of Paul and have fellowship with them. I have been in a Roman Catholic presbytery with a priest, and we spent two hours talking about the gospel of our Lord Jesus Christ, and we found that we believed the same gospel, i.e. the gospel of our Lord Jesus Christ as preached by Paul." A Commentary on JEREMIAH David Pawson, 2018-11-02 Jeremiah was God's man for a nation.

declining from having been one of the first powers to being a very third rate power a nation losing its empire losing its territory a nation getting involved in all sorts of relationships with other nations to try to survive by joining larger power units a nation that was doing exactly what ours is doing and that was becoming weak in its external and political relationships because it was becoming weak morally and spiritually inside As we go through this prophecy you will think you are reading the Sunday newspapers It is a most relevant part of God s Word People used to bring me newspaper cuttings during our studies of Jeremiah They were taking the Word of God then picking up their newspaper the next morning and relating God s eternal Word with man s word It becomes possible to see how it all fits

A Commentary on the Gospel of John David Pawson, 2015-06-24 John is a remarkable Gospel utterly different from the other three It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was It reflects too John s burden the believers in Jesus should not be side tracked by erroneous teaching whether concerning Jesus identity or the veracity of his claims He wanted believers to be absolutely sure that eyewitnesses Jesus own words and his astonishing works all point to one who was truly God come in the flesh the living Word the very glory of God among humanity John s collected evidence and proof all make the most compelling testimony to Jesus right to demand our on going trust and obedience

A Commentary on Ephesians David Pawson, 2016-03-21 Unlike Paul s other letters this one is not addressed to particular churches or individuals with their own needs and problems even Ephesians is not in all the early copies It is a circular despatch covering general matters of belief chapters 1 3 and behaviour chapters 4 6 applicable to all churches and Christians everywhere It is one of the clearest statements in the New Testament of God s purpose in saving us and is as practically challenging as it is spiritually inspiring Perhaps that is why it is such a popular choice for preachers

A Commentary on the Gospel of MATTHEW David Pawson, 2023-06-01 You see the full character of Christ through the four different portraits in Matthew Mark Luke and John Each of them is painting a different picture not a contradictory one but filling it out with a new aspect Matthew paints the King of the Jews That is his object We now suddenly realise why Matthew is the first in the New Testament even if it was not the first to be written The answer is that it is the nearest Gospel to the Old Testament the most Jewish one that picks up the threads of all that has gone before

A Commentary on Romans David Pawson, 2015-08-04 REVISED AND UPDATED TO INCLUDE DAVID S MOST RECENT TEACHING 2014

The Challenge of Islam to Christians David Pawson, 2015-03-12 The Challenge of Islam to Christians is David Pawson s most important and most controversial prophetic message to date Moral decline and erosion of a sense of ultimate truth has created a spiritual vacuum in the United Kingdom David Pawson believes Islam is far better equipped than the Church to move into that gap and it will not be long before it becomes the country s dominant religion Based on the audio and video recordings on which he first announced his message this book unpacks and explains the background behind Pawson s claims and crucially sets out a positive blueprint for the Church s response

Christians must rediscover and demonstrate to society the three qualities that make Christianity unique Reality Relationship and Righteousness **Unlocking the Bible** David Pawson,2012-06-14 David Pawson presents a unique overview of both the Old and New Testaments Loose Leaves from My Bible David Pawson,2012-02-01 David Pawson has been teaching others the Bible for over forty years Often during this time when wanting to communicate God s truth more effectively and to breathe fresh life into familiar scripture verses he would paraphrase passages of the Bible into colloquial English Loose Leaves from my Bible contains a selection of David Pawson s most popular paraphrases with notes about their origin Passages from Genesis Psalms Ecclesiastes Habakkuk Luke and John are included together with the complete books of Jude and Galatians **Where is Jesus now?** David Pawson,2015-10-12 Why is the Ascension such a neglected area of biblical teaching What exactly happened How did the disciples react Why did Jesus go back to heaven What did he do next What is he doing now How does all this connect with our lives today David Pawson explains why the Ascension of Jesus can still be a source of inspiration to every Christian believer **By God, I Will** David Pawson,2013-02-28 It must bewilder many Christians that teachers and preachers using the same Bible can come up with so many different interpretations and more particularly applications of God s Word One of the main reasons for this confusion is their handling of the word covenant which is so fundamental to scripture The two key questions are how many covenants has God made with human beings and how many of these apply to Christians today Some say there is only one the covenant of grace running right through scripture though they might add a second a covenant of works which applied only to Adam in Eden Most think there are two the old and the new corresponding to the Old and the New Testaments a synonym for covenant Others claim to have found seven though they usually call them dispensations This author believes there are five which are basic to the story of our redemption the Noahic Abrahamic Mosaic Davidic and Messianic Only one of these is old and therefore obsolete only one is new but endorses the other three With this insight we can rightly divide the word of truth 2 Timothy 2 15 NIV has correctly handle See if you agree **A Commentary on Ecclesiastes** David Pawson,2020-01-24 The author writes The basic questions always begin with why not how People ask How can I be happy How can I make a living How can I get guidance How can I do this They should be asking Why should I make a living Why should I need guidance Science answers the question how again and again but it never answers the question Why It may be able to tell us how the world began but it doesn t tell us why and it is the why that is important Ecclesiastes is a book to tell you why and that is much more important than how Kingdoms in Conflict David Pawson,2015-05-09 A kingdom is a group of people ruled by one person the king who makes all the laws himself without their votes or approval The concept is anathema to contemporary democracy and its confidence in government by the people the naive assumption that majorities will always get it right History does not encourage optimism There have been more bad kings than good even in God s chosen people Israel Behind our world s problems which baffle our finest politicians and philosophers lies a fundamental racial and fatal error of having chosen the

wrong king Born into his kingdom he has deceived us into thinking we can each of us be our own kingdom inevitably clashing with each other as individuals or nations The only solution is to find the right king and become his loyal citizens One day all other kingdoms will be shaken to pieces but this will remain for ever Only then will the conflict in which every one of us is involved be resolved

The Normal Christian Birth David Pawson,1989 This is a study of initiation into the New Testament which attempts to reveal a synthesis of the liberal emphasis on repentance the evangelical emphasis on faith the sacramental on Baptism and the pentecostal on the Spirit These four spiritual doors are then related to conversion and regeneration

A Commentary on Hebrews David Pawson,2014-05-24 But I m not a Hebrew So why should I read a letter addressed to Jewish believers Because the author s warnings and appeals Don t go back do go on are needed by Christians teetering on the slippery slope of backsliding or simply standing still For the eager believer still running the race this letter offers a new perspective on both the Old Testament and the Lord Jesus It answers the crucial question where is he now and what is he doing People saw him as the Prophet and will see him as the King but Hebrews sees him as the Priest we all need Yet he is the same yesterday today and for ever

A Commentary on 1 & 2 Thessalonians David Pawson,2015-02-13 Speculation about the second coming of our Lord is nothing new The saints in Thessalonica were already being misled Paul s two corrective letters among his earliest deal with the issue in a way that is profound and practical as well as giving details to be found nowhere else in the New Testament The rapture the man of lawlessness the temple these and other features are uniquely here But there is also much sound advice for those who are so heavenly minded they are no earthly use Meddling in other people s business living on the generosity of others rather than earning despising prophetic words sexual behaviour that is lust rather than love these are just some of the arrows that find a target within the church After two thousand years these letters are as relevant today as they ever were Paul probably never guessed they would become part of scripture which God intended to be used until history ended and eternity began
