**AI and Innovation in HRM** Pushan Kumar Dutta, Amarnath Padhi, Sulagna Das, Vinod Kr Sharma, Poshan Yu, 2025-08-13  
This book provides a comprehensive blueprint for organizations to strategically leverage AI technologies and drive innovation in their HRM practices enabling them to cultivate a future ready workforce that can thrive in the service centric marketplace. It weighs in on the challenges and opportunities brought forth by the convergence of AI and HRM in a rapidly evolving service economy. Drawing insights from management theory, organizational psychology and technology studies, this multidisciplinary book explores how AI can augment and elevate various facets of strategic HRM from talent acquisition and employee development to performance management and organizational culture enhancement. It offers a future focused perspective on HRM's evolving role in shaping the workplace of tomorrow, emphasizing the pivotal role of AI in fostering organizational agility, innovation and competitiveness. The international contributors delve into the unique challenges and opportunities presented by AI integration in service industry contexts, providing tailored strategies and best practices for effective adoption as well as addressing ethical considerations and responsible governance of AI systems. This timely volume will be a valuable resource for scholars across human resource management, organizational management and innovation and technology management. It will be useful to HR professionals, business leaders and decision makers in service based organizations.

**Innovative Approaches to Staff Development in Transnational Higher Education** Morris, Gareth, Ye, Jinting, 2025-01-09  
As globalization reshapes the landscape of higher education, the development of faculty and staff becomes essential for institutions to remain competitive and relevant. By investing in continuous learning and cross cultural competencies, educators can better meet the diverse needs of an international student body and foster inclusive, innovative academic environments. Strengthening faculty development enhances teaching quality, research output and institutional adaptability, enriching the educational experience for students. This focus not only advances individual career growth but also drives institutional success, promoting resilience and long term sustainability in an increasingly interconnected world. **Innovative Approaches to Staff Development in Transnational Higher Education** delves into the complexities and opportunities of faculty development in the dynamic environment of transnational higher education. It illustrates the transformative power of education and its ability to adapt and evolve in response to a rapidly globalizing world. Covering topics such as AI literacy, mentorship and technology training, this book is an excellent resource for educational leaders and administrators, faculty and staff members, researchers, scholars, policymakers, educational planners and more.
