Green, AI, 2025-03-03 **Video Marketing** explores how businesses can leverage video to enhance brand engagement and drive sales in today's digital world. The book emphasizes a strategic, data-driven approach, highlighting that effective video marketing isn't just about creating content but aligning it with business objectives and understanding the target audience. Did you know that video consumption has exploded, creating vast opportunities to connect with wider audiences? Or that a strategic approach to video marketing is the key to achieving measurable results and ROI? The book progresses across three main parts: foundational concepts, content creation, and distribution. It details how to define target audiences, create various video formats, and leverage platforms through video SEO and advertising. Case studies and expert interviews illustrate key points, while templates and checklists provide hands-on guidance. The book uniquely connects marketing, communications, and business management, adopting an accessible style suitable for entrepreneurs and marketing managers. **Postdigital**

(Re)Imaginations Petar Jandrić, Juha Suoranta, Marko Teräs, Hanna Davis, 2025-10-31 This edited volume presents the latest achievements of postdigital scholarship in the field of future studies. Showing that current policy frameworks are dominated by capitalist imaginaries, the book insists on the development of radically different futures. This task is approached in five different ways. The book begins with an overview of the many ways to approach postdigital imaginaries as emancipatory practices, followed by some urgent reimaginings of older ideas. It moves on to critiques of current practices, policies, and imaginaries, and develops postdigital research methods for the development of emancipatory educational imaginaries.

Showcasing some recent interventions in educational politics policy and practice it links presented work on postdigital imaginations with recent postdigital inquiry related to the geopolitics of postdigital educational development This book is suited for educators policy makers and any researcher fascinated by the unbounding of education from capitalist imaginaries and reframing it within an emancipatory future
