If you re looking for a step by step walkthrough on how to start a podcast right from the ground with no previous experience then keep reading

The medium of podcasting and the personal nature of it the relationship you build with your listeners and the relationship they have with you they could be just sitting there chuckling and listening there s nothing like that

Marc Maron Podcasting is the expressional medium with therapeutic value we ve been missing in our lives for decades

Luckily popularity has been growing exponentially over the last few years

did you know the number of Americans who are weekly podcast listeners over the last 7 years has tripled

Let alone a 24% increase in the UK from 2018 2019

Although there s never been a better time to get into podcasting with all the contradicting and often false information scattered all over the internet it s no wonder why so many people often struggle to find a starting point when there s so many conflicting views on what the best quality equipment is what launch strategy should be used and even editing

In fact it can even create the illusion that starting a podcast is a daunting and time consuming process

You might be reluctant to commit to something you lack both knowledge and experience in or you re worried that when you do make that leap there ll be no one on the other side listening

Maybe you re skeptical of whether you ll be able to get guests on as a newbie with no name to yourself

In *Podcasting Made Simple* you will discover The X factor that leaves listeners craving their next fix of your content

The secret to creating an immersive parasocial relationship with your audience

Why trying to monetize incorrectly can actually ruin your chances of turning your hobby to an income

Why many podcasters advertisement and promotion actually repels potential listeners
