Scott-Baumann,Danielle Clarke,Sarah C. E. Ross,2022-09-22 The Oxford Handbook of Early Modern Women s Writing in  
English 1540 1700 brings together new work by scholars across the globe from some of the founding figures in early modern  
women s writing to those early in their careers and defining the field now It investigates how and where women gained  
access to education how they developed their literary voice through varied genres including poetry drama and letters and  
how women cultivated domestic and technical forms of knowledge from recipes and needlework to medicines and secret  
codes Chapters investigate the ways in which women s writing was an integral part of the intellectual culture of the period  
engaging with male writers and traditions while also revealing the ways in which women s lives and writings were often  
distinctly different from women prophetesses to queens widows and servants It explores the intersections of women writing  
in English with those writing in French Spanish Latin and Greek in Europe and in New England and argues for an  
archipelagic understanding of women s writing in Scotland Wales Ireland and England Finally it reflects on and challenges  
the methodologies which have developed in and with the field book and manuscript history editing digital analysis premodern  
critical race studies network theory queer theory and feminist theory The Oxford Handbook of Early Modern Women s  
Writing in English 1540 1700 captures the most innovative work on early modern women s writing in English at present
